Barron's how to Prepare for the College-level Examination Program, CLEP, General Examinations

William C. Doster 1990

Includes thousands of typical CLEP questions, and 20 model exams covering all test subjects, with explained answers. Tactics are suggested to help students achieve higher scores.

Growth of West African Civilization Raphael Olu Afolalu 1980

Civilization Past and Present Palmira Brummett 2000-07 Civilization Past and Present, Concise Version, is a carefully honed version of the best-selling Civilization Past and Present, Ninth Edition. This first brief survey of world history published in four-color, Civilization Past and Present,

Concise Version, treats the development and growth of civilization as a global experience through which all the great culture systems have interacted to produce the present-day world. This new text considers all types of history social, economic, political, military, diplomatic, religious, aesthetic, intellectual, and technological as it examines that global interaction. Maintained throughout this compelling, brief survey are a consistent writing style and level of presentation uncommon in multi-authored texts. Its full-color format, abundant pedagogical aids, unique Discovery Through Maps feature, primary source documents, and end-of-chapter annotated website URLs make this book the most user-friendly available in this market. Civilization Past and Present, Concise Version, offers the content, features and pedagogy of a "big" text but in a briefer, four-color format. Finally, a book for students that is truly manageable and

provocative.

How to Prepare for the CLEP, College-Level Examination Program General Examinations

William C. Doster 1999 This

updated test preparation manual covers all sections of the CLEP, with model tests in all five subjects and with all topic reviews expanded and updated.

Human Antiquity Kenneth L. Feder 1997 Where did we come from? To answer this question, anthropologists reconstruct the human past and study the human present from both biological and cultural perspectives. "Human Antiquity" offers an absorbing, straightforward explanation of human origins and evolution by thoroughly integrating physical anthropology and archaeology. Co-authors Kenneth Feder and Michael Park combine the ideas, methods, and knowledge from both biological anthropology and archaeology

into a unified effort: Feder is an archeologist who conducts surveys, excavations, and analyses to understand the native inhabitants of New England; Park is a biological anthropologist interested in the application of evolutionary theory to the biological history of our species. .

Human Heritage Miriam Greenblatt 2001 A world history textbook chronicling the rise of Western and Eastern civilizations. Includes photos, art, illustrated charts, vocabulary exercises, and review questions.

Civilization Past & Present
Palmira Johnson Brummett
2001 * Brevity This streamlined version of *Civilization Past and Present*, Ninth Edition chronicles the evolution of humanity from earliest times to the present. In straightforward, easy-to-read prose, the book examines all the worlds major

civilizations, allowing students to understand and appreciate each society's unique aspects and contributions as well as its interactions with other cultures and civilizations. * Full-color Format The only full-color, brief book on the market, *Civilization Past and Present, Concise Version* is user-friendly for students. Striking color images present the rich tapestry of the past, and full-color maps help students to discern geographical distinctions. * Discovery Through Maps The Discovery Through Maps feature uses primary source maps to show students how a particular culture viewed the world at a given time. One Discovery Through Maps feature appears in each chapter. The feature demonstrates the significance of geography in shaping cultural identity. * Part-opening Essays emphasize thematic development and show how the chapters in each part relate to one another. Part divisions encourage students to consider the past in terms of logical and meaningful
