Webster's New World Roget's A-Z Thesaurus Charlton Laird

2005-05-05 When you need the right word, right away-turn to Webster's New Roget's A-Z Thesaurus Easy . . . Organized alphabetically, just like a dictionary, with no confusing number systems Accessible . . . Only common words are used in the main entry list-never esoteric words that you would not think of looking for Comprehensive . . . Brims with synonyms, antonyms, and phrases other word-finders overlook-so you're never at a loss for words Up to the Minute . . . Packed with additional listings and synonyms to reflect today's latest scientific, medical, and other technical terms

Science and Science Teaching Sharon Sherman 2004 This core text for the K-8 methods course in science is a practical guide to teaching science in inquiry-centered and standards-based classrooms. Its inclusive coverage of the major domains of science includes examples from the studies of life, physics, earth, space, and environment. This edition integrates technology thoroughly with science content, instructional methods, and cues to monitoring student development.

Webster's New World Thesaurus Charlton Laird 2003-07 Organized alphabetically for easy access, a revised edition of the best-selling reference provides synonyms, general words, and antonyms, as well as slang terms, colloquial expressions, technical terms, and the most recent scientific and medical terminology.
