A solid foundation: preparing students for Algebra 1. Chapters 1-3 provide a solid foundation of integers, rational numbers and real numbers setting the stage for equations, inequalities and functions. Real-World applications to the more abstract algebraic concepts are found throughout the text. An average of over five Activity Labs per chapter ensures students receive the visual and special instruction necessary to conceptualize these abstract concepts, better preparing them for advanced math courses.

*NALA Manual for Paralegals and Legal Assistants* National Association of Legal Assistants 2005 The NALA Manual for Paralegals and Legal Assistants: A General Skills & Litigation Guide for Today's Professionals Fourth Edition (previously titled "The NALA Manual for Legal Assistants") is designed to serve as a quick reference guide for working legal assistants, to be used by schools as a textbook for intro courses and reference material, and to assist legal assistants preparing to take the Certified Legal Assistant examination. It is a collection of proven techniques and procedures used by paralegals nationwide. The techniques described are examples of successful solutions to actual assignments accomplished by working legal assistants. They may be used as starting points from which changes, adaptations, and modifications may be made by legal assistants in similar situations.

*Macroeconomics* William A. McEachern 2000

This very successful textbook is distinguished by a superior writing style that draws upon common student experiences to introduce economic concepts, making economic theory more accessible and interesting. Case Studies and numerous examples take advantage of students' intuitive knowledge of economics, building upon real-life situations. A streamlined design places pedagogy and illustrations directly within the flow of the text, making it less distracting and more useful for students. A fully integrated and sensible Internet strategy sets this text apart by tying numerous in-text features to learning enhancements and extensions on a dedicated Web site. This Fifth Edition makes unique use of THE WALL STREET JOURNAL by including resources and exercises utilizing that periodical to help students learn to analyze the latest economic events. McEachern is also available in micro split and both micro/macro are in the principles text.
