Canadian Citizenship Practice Tests Musitature CANADIAN CITIZENSHIP TEST According to the CIC website, applicants who are 18–54 years of age are required to demonstrate adequate knowledge of Canada and of the responsibilities and privileges of citizenship through a citizenship knowledge test in either English or French The citizenship test is usually a written test, but it could be an interview. You will be tested on two basic requirements for citizenship: 1) knowledge of Canada and of the rights and responsibilities of citizenship, and 2) adequate knowledge of English or French. The actual test lasts for 30 minutes and contains 20 multiple-choice questions. Applicants for citizenship must answer at least 15 (75%) questions correctly to pass the test. All practice questionnaires have been made in English from CIC's "Discover Canada" booklet. While no efforts have been spared to ensure the accuracy of the information in the questionnaire, free-citizenship-test.musitature.com, its authors, and associates cannot be held responsible for any damages occurring due to errors or omissions. Although the tests we provide on our website are not the actual Canadian Citizenship test, the questions are specifically designed to help you prepare for the actual test.
