Student Study Guide and Solutions Manual to accompany General Organic and Biological Chemistry, 1e Kenneth W. Raymond 2005-10-07 Finally readers have a shorter, less intimidating introduction to general, organic and biological chemistry! Not only is Raymond's text concise, it also takes an integrated approach to presenting important topics in a way that makes the material easier to understand. In this approach, similarities can be exploited and concepts reinforced. The result is that readers see the strong connections that exist between these three branches of chemistry.
