Mosby's Textbook for Long-term Care Assistants Sheila A. Sorrentino 2003 This popular text provides complete coverage of the knowledge and skills nursing assistants need to work in a long-term care facility. The concise, readable, highly visual format appeals to learners of all levels. The clear, logical presentation of procedures, with hundreds of large, full-color photos and drawings, makes it easy for students to learn and understand. This new edition addresses the expanding role of the nursing assistant in long-term care, providing additional coverage of assisted living, restraint alternatives, transfers, wound care, elderly abuse, and restorative nursing. Covers all of the knowledge and skills needed by the nursing assistant in long-term care. An attractive, full-color design engages students' interest. Over 100 procedures stressing the quality of life are divided into pre-, procedure, and post-procedure sections for easier learning. Hundreds of full-color photos and drawings add visual appeal and show students how to perform important tasks. What You Will Learn and Key Terms with definitions help students focus on essential information and better understand chapter content. Caring About Culture boxes provide insight and awareness about the practices of various cultures. NNAAPT Highlighted skills alert students to procedures that are part of the National Nurse Aide Assessment Program (NNAAPT) Residents with Dementia boxes detail special care considerations for residents with Alzheimer's disease and other dementias. Quality of Life boxes present actions and considerations that nursing assistants can use to provide care according to the OBRA mandate to enhance/protect residents' rights and improve their overall well-being. OBRA content is highlighted throughout to reinforce the importance of adhering to these federal standards. Focus on Rehabilitation and Subacute Care boxes provide students with information and insights to effectively care for these special residents. Chapter Review Questions help students evaluate learning. UNIQUE! Mosby's Nursing Assistant CD-ROM, bound in the text, includes 25 procedures with corresponding video clips & exercises, an audio glossary, and Body Spectrum - an electronic anatomy coloring book. Lower reading level (6.7) makes comprehension easy for all levels of learners. Delegation Guidelines detail what the student needs to know and understand before accepting delegated tasks. Charting examples demonstrate correct recording methods. Safety Alerts highlight actions that ensure the safety of both residents and staff. New chapter on Restraint Alternatives and Safe Restraint Use. New chapter on Assisted Living discusses caring for residents in these settings.

Applying Nursing Process Rosalinda Alfaro-LeFevre 2002 This Fifth Edition workbook provides students with a concise reference to facilitate critical thinking in clinical practice settings. Packed with examples, learning exercises, and real-life case scenarios, it offers guidelines and strategies to promote the nursing process, problem solving and decision-making skills. Its how-to format includes application and theoretical rationale support, as it addresses both independent and collaborative nursing roles. New features include expanded content on the development and implementation of critical thinking skills; emphasis on outcome-focused and evidence-based care, leadership and delegation skills; the role of NANDA, NIC, NOC and NDEC in clinical practice, and more.

*Expert Cna's Illustrated Guide To Documentation* Martin Schumacher 2001-10 This booklet is intended for distribution to your entire frontline staff. It is focused on changing staff behaviors that sometimes compromise the quality of care they provide. Written in a punchy and

entertaining style, with illustrations based on the real daily life of a CNA, this booklet addresses one of the most critical caregiving issues. This brief booklet covers all aspects of documentation for CNAs, including such issues as: What is documentation?, Why is documentation so important?, What is a standard survey?, What are the consequences of poor documentation?, How do you do documentation correctly?. Buy one of these booklets for every one of your CNAs and start correcting your documentation problems right away.
