Enhanced Occupational Outlook Handbook provides a practical way to obtain and use the information from the three most authoritative occupational data sources. It includes the complete text of the latest Occupational Outlook Handbook by the U.S. Department of Labor, plus related job descriptions from the government's latest O*NET database and from the Dictionary of Occupational Titles. Readers learn about all of their career options in one resource. Now in its all-new seventh edition, the EOOH is easy to use because it's organized by clusters of related jobs - the same user-friendly structure as in the OOH. Readers doing career research and planning also learn the latest details on earnings, job growth, education and skills required, working conditions, employment trends, and more. A new appendix organizes all the OOH jobs by personality codes so readers can easily find related job descriptions after using any career assessment based on Holland's six personality types (Realistic, Investigative, Artistic, Social, Enterprising, and Conventional). *Enhanced Occupational Outlook Handbook* J.
