Designing Your Own Classical Curriculum Laura M. Berquist

2010-09-20 Home educator

Laura Berquist presents a modern curriculum based on the time-tested philosophy of the classical Trivium-grammar, logic and rhetoric. She has given homeschoolers a valuable tool for putting together a "liberal arts" curriculum that feeds the soul, as well as the intellect. Her approach, covering grades K - 12, is detailed and practical, and it is adaptable by parents and teachers to any situation. This third revised edition includes a much expanded section for a high school curriculum, and an updated list of resources for all grades.
