Junos Security Rob Cameron 2010-08-16 Junos® Security is the complete and authorized introduction to the new Juniper Networks SRX hardware series. This book not only provides a practical, hands-on field guide to deploying, configuring, and operating SRX, it also serves as a reference to help you prepare for any of the Junos Security Certification examinations offered by Juniper Networks. Network administrators and security professionals will learn how to use SRX Junos services gateways to address an array of enterprise data network requirements -- including IP routing, intrusion detection, attack mitigation, unified threat management, and WAN acceleration. Junos Security is a clear and detailed roadmap to the SRX platform. The author's newer book, *Juniper SRX Series*, covers the SRX devices themselves. Get up to speed on Juniper's multi-function SRX platforms and SRX Junos software Explore case studies and troubleshooting tips from engineers with extensive SRX experience Become familiar with SRX security policy, Network Address Translation, and IPSec VPN configuration Learn

about routing fundamentals and high availability with SRX platforms Discover what sets SRX apart from typical firewalls Understand the operating system that spans the entire Juniper Networks networking hardware portfolio Learn about the more commonly deployed branch series SRX as well as the large Data Center SRX firewalls "I know these authors well. They are out there in the field applying the SRX's industry-leading network security to real world customers everyday. You could not learn from a more talented team of security engineers." -- Mark Bauhaus, EVP and General Manager, Juniper Networks

Just What the Doctor Ordered Christine Fader 2018-09-24 Take the inside track to medical school with expert advice from a specialist. Getting into medical school in Canada isn't easy—you need to stand out among a field of highly motivated and accomplished applicants. In fact, most applicants aren't successful the first time they apply. Christine Fader was an application reviewer and interviewer at a Canadian medical school for eight years and has worked as a career counsellor at Queen's University and in private practice for 20 years. After helping thousands of students through the medical-school application and interview process, she has a wealth of insight about what helps to elevate an applicant's chances and what doesn't. In *Just What the Doctor Ordered*, she shares her secrets, including: Starting to prepare for future medical school applications while still in high school can set you up for success—and needn't be stressful. Good grades aren't enough! Learn what experience you need—and how to describe it—to gain an edge. Take a smart approach to the MCAT and CASPer by knowing the keys to preparation. Make your application shine with examples and tips on the essay and short-answer sections. Ace your interview with strategies to help you prepare for the types of questions interviewers ask. Learn from stories about other applicants, just like you! Whether you're a high school student laying the groundwork for a career in medicine or a university student working on med school applications now, Christine shows you how to maximize your chances of getting accepted to a Canadian medical school. Includes help for parents, too!
