A Train in Winter Caroline Moorehead  
2012-09-06 A moving and extraordinary book about courage and survival, friendship and endurance - a portrait of ordinary women who faced the horror of the holocaust together. On an icy morning in Paris in January 1943, a group of 230 French women resisters were rounded up from the Gestapo detention camps and sent on a train to Auschwitz - the only train, in the four years of German occupation, to take women of the resistance to a death camp. Of the group, only 49 survivors would return to France. Here is the story of these women - told for the first time. A Train in Winter is a portrait of ordinary people, of their bravery and endurance, and of the friendships that kept so many of them alive. 'A story of stunning courage, generosity and hope' Mail on Sunday 'Serious and heartfelt...profound' Sunday Times

*A Train in Winter* Caroline Moorehead  
2011-11-08 In January 1943, 230 women of the French Resistance were sent to the death camps by the Nazis who had invaded and occupied their country. This is their story, told in full for the first time—a searing and unforgettable chronicle of terror, courage, defiance, survival, and the power of friendship. Caroline Moorehead, a distinguished biographer, human rights journalist, and the author of *Dancing to the Precipice* and *Human Cargo*, brings to life an extraordinary story that readers of Mitchell Zuckoff's *Lost in Shangri-La*, Erik Larson's *In the Garden of Beasts*, and Laura Hillenbrand's *Unbroken* will find an essential addition to our retelling of the history of World War II—a riveting, rediscovered story of courageous women who sacrificed everything to combat the march of evil across the world.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The French were shocked by the speed of the German victory, and how young and healthy the troops looked. They were stunned by the fact that a nation whose military valour was epitomized by the battle of Verdun in the First World War and whose defences had been guaranteed by the supposedly impregnable Maginot line, had been reduced to a state of vassalage in just six weeks. #2 The first signs of German behavior were reassuring. The French were told to respect property, and the Germans took control of the telephone exchange and the railways. The French were relieved, and handed in their weapons. #3 The terms of the armistice, which were signed after 27 hours of negotiations in the clearing at Rethondes in the forest of Compiègne, were brutal. The German military defeat was signed at the end of the First World War in 1918, and France was now being divided up between them and the Italians. #4 The Germans had been preparing for the occupation of France for quite some time. They had prepared a thousand railway officials to supervise the running of the trains, and they had prepared a group of twenty men to infiltrate and interrogate.

A Train in Winter Caroline Moorehead  
2016-06-13 On an icy dawn morning in Paris in January 1943, a group of 230 French women resisters were rounded up from the Gestapo detention camps and sent on a train to Auschwitz - the only train, in the four years of German occupation, to take women of the resistance to a death camp. The youngest was a schoolgirl of 15, the eldest a farmer's wife of 68; there were among them teachers, biochemists, sales girls, secretaries, housewives and university lecturers. The women turned to one another, finding solace and strength in friendship and shared experience. They supported and cared for one another, worked together, and faced the horror together. Friendship, almost as much as luck, dictated survival. Forty-nine of them came home.

Caroline Moorehead's breathtaking new book is the story of these women - the first time it has been told. It is about who they were, how and why they joined the resistance, how they were captured by the French police and the Gestapo, their journey to Auschwitz and their daily life in the death camps - and about what it was like for the survivors when they returned to France. *A Train in Winter* covers a harrowing part of our history but is, ultimately, a portrait of ordinary people, of bravery and endurance, and of friendship.

**A Train in Winter** Caroline Moorehead

2011-11-01 "How can you do this work if you have a child?" asked her mother. "It is because I have a child that I do it," replied Cecile. "This is not a world I wish her to grow up in." On January 24, 1943, 230 women were placed in four cattle trucks on a train in Compiègne, in northeastern France, and the doors bolted shut for the journey to Auschwitz. They were members of the French Resistance, ranging in age from teenagers to the elderly, women who before the war had been doctors, farmers' wives, secretaries, biochemists, schoolgirls. With immense courage they had taken up arms against a brutal occupying force; now their friendship would give them strength as they experienced unimaginable horrors. Only forty-

nine of the Convoi des 31000 would return from the camps in the east; within ten years, a third of these survivors would be dead too, broken by what they had lived through. In this vitally important book, Caroline Moorehead tells the whole story of the 230 women on the train, for the first time. Based on interviews with the few remaining survivors, together with extensive research in French and Polish archives, *A Train in Winter* is an essential historical document told with the clarity and impact of a great novel.

Caroline Moorehead follows the women from the beginning, starting with the disorganized, youthful and high-spirited activists who came together with the Occupation, and chronicling their links with the underground intellectual newspapers and Communist cells that formed soon afterwards. Postering and graffiti grew into sabotage and armed attacks, and the Nazis responded with vicious acts of mass reprisal - which in turn led to the Resistance coalescing and developing. Moorehead chronicles the women's roles in victories and defeats, their narrow escapes and their capture at the hands of French police eager to assist their Nazi overseers to deport Jews, resisters, Communists and others. Their story moves inevitably through to its horrifying last chapters in Auschwitz: murder, starvation, disease and the desperate struggle to survive. But, as Moorehead notes, even in the most inhuman of places, the women of the Convoi could find moments of human grace in their companionship: "So close did each of the women feel to the others, that to die oneself would be no worse than to see one of the others die." Uncovering a story that has hitherto never been told, Caroline Moorehead exhibits the skills that have made her an acclaimed biographer and historian. In this book she places the reader utterly in the world of wartime France, casting light on what it was like to experience horrific terrors and face impossible moral dilemmas. Through the sensitive interviews on which the book is based, she tells personal and individual stories of courage, solace and companionship. In this way, *A Train in Winter* ultimately becomes a valuable memorial to a unique group of heroines, and a testimony to the particular power of women's friendship even in the worst places on earth.
