Techniques to Perform Optimally Learn More Effectively Get Better Grades Learn Effectively, Perform Optimally, GET BETTER GRADES!

Many people think that they are not as good because great results are reserved for the very intelligent. The author of this book is proof of the opposite! From being an average pupil in elementary school, Olav Schewe went on to become a super student at some of the finest universities in the world. In this book, he tells you everything you need to know to succeed in your studies. He provides techniques for reading and memory, and guides you through acing oral and written exams. Super Student is not only about discipline, efficiency, and taking

responsibility, but also about motivation, finding the right balance, and having fun while learning. Those who want to learn more effectively and get better grades, and how to be the best student without sacrificing all their free time must read this. Olav Shewe is an author, learning expert and public speaker. From being an average student in school, he went on to win a Fulbright scholarship, earn straight A-s as an exchange student at University of California, Berkeley (USA), and graduate with a distinction at the University of Oxford(UK). Olav is interested in researching the relationship between learning techniques, motivation, study habits, personal beliefs and learning outcomes.
