[The Outlandish Companion \(Revised and Updated\)](#) Diana Gabaldon 2015-03-31 Perfect for readers of the bestselling Outlander novels—and don't miss The Outlandish Companion Volume Two! #1 New York Times bestselling author Diana Gabaldon has captivated millions of readers with her critically acclaimed Outlander novels, the inspiration for the Starz original series. From the moment Claire Randall stepped through a standing stone circle and was thrown back in time to the year 1743—and into a world that threatens life, limb, loyalty, heart, soul, and everything else Claire has—readers have been hungry to know everything about this world and its inhabitants, particularly a Scottish soldier named Jamie Fraser. In this beautifully illustrated compendium of all things Outlandish, Gabaldon covers the first four novels of the main series, including: • full synopses of Outlander, Dragonfly in Amber, Voyager, and Drums of Autumn • a complete listing of the characters (fictional and historical) in the first four novels in the series, as well as family trees and genealogical notes • a comprehensive glossary and pronunciation guide to Gaelic terms and usage • The Gabaldon Theory of Time Travel, explained • frequently asked questions to the author and her (sometimes surprising) answers • an annotated bibliography • essays about medicine and magic in the eighteenth century, researching historical fiction, creating characters, and more • professionally cast horoscopes for Jamie and Claire • the making of the TV series: how we got there from here, and what happened next (including “My Brief Career as a TV Actor”) • behind-the-scenes photos from the Outlander TV series set For anyone who wants to spend more time with the Outlander characters and the world they inhabit, Diana Gabaldon here opens a door through the standing stones and offers a guided tour of what lies within.

The Voodoo Encyclopedia Jeffrey E. Anderson 2015-08-26 This compelling reference work introduces the religions of Voodoo, a onetime faith of the Mississippi River Valley, and Vodou, a Haitian faith with millions of adherents today. Unlike its fictional depiction in zombie films and popular culture, Voodoo is a full-fledged religion with a pantheon of deities, a priesthood, and communities of believers. Drawing from the expertise of contemporary practitioners, this encyclopedia presents the history, culture, and religion of Haitian Vodou and Mississippi Valley Voodoo. Though based primarily in these two regions, the reference looks at Voodoo across several cultures and delves into related religions, including African Vodou, African Diasporic Religions, and magical practices like hoodoo. Through roughly 150 alphabetical entries, the work describes various aspects of Voodoo in Louisiana and Haiti,

covering topics such as important places, traditions, rituals, and items used in ceremonies. Contributions from scholars in the field provide a comprehensive overview of the subject from various perspectives and address the deities and ceremonial acts. Water Fasting & Dry Fasting for Beginners Merryl Kowalska 2023-01-10
 " Water Fasting & Dry Fasting for Beginners is a life manual that teaches the ancient healing and spiritual art of water fasting, as well as dry fasting. Fasting has been used for centuries as a powerful tool for healing and spiritual growth. What is water fasting? Water fasting is abstaining from food for a certain period of time. It is a time where you can only consume pure and clean water, and nothing more. Dry fasting takes it a step further where you do not consume any food and water for a period of time. If you are just starting out, water fasting is the way to go. Once you gain more experience and confidence, you can easily shift from water fasting into a pure dry fasting. Nevertheless, it should be

noted that there are many spiritual seekers and even health enthusiasts who are already satisfied with water fasting and have no interest in doing a dry fast. You can also do the same, if you want. Feel free to do whatever makes you feel good, clean, and healthy. *Water Fasting & Dry Fasting for Beginners* teaches the ins and outs of fasting. Fasting is not a new invention. It has been in existence since ancient times for various purposes, mainly for religious, spiritual, and health purposes. I have practiced both water and dry fasting for years, and I am here to share with you everything that I have learned. Before we move further, I want you to know that water fasting (as well as dry fasting) is very much doable. You just have to give yourself enough time to adjust. If you want to be healthy and enjoy a deeper experience of spirituality, then water/dry fasting might just be the way to satisfy your spiritual cravings. This practice is deeply experiential, and it can even change you as a person. In fact, many of those who seriously go on a fast experience a wonderful and pleasant state of mind, and such a state of mind can only be achieved through the practice of fasting. Although there are many ways to do fasting, it remains true that there are really only two original ways of fasting, and that is through a water fast or a dry fast. As far as this book is concerned, we shall use the term fast or fasting to refer to both water and dry fasting, except when clearly specified to mean otherwise. So, are you ready to learn the wonders of fasting? If yes, then without further ado, let us begin your journey to health, peace of mind, well-being, and spirituality. "

The Witching Tree Alice Blanchard 2021-12-07 Welcome to Burning Lake, a small, isolated town with a dark history of witches and false accusations. Now, a modern-day witch has been murdered, and Detective Natalie Lockhart is reluctantly drawn deep into the case, in this atmospheric mystery from Alice Blanchard, *The Witching Tree*. As legend has it, if you carve your deepest desire into the bark of a Witch Tree, then over time as the tree grows, it will swallow the carvings until only a witch can read them. Until now. Detective Natalie Lockhart gained unwanted notoriety when she and her family became front and center of

not one, but two sensational murder cases. Now she's lost her way. Burned out and always looking over her shoulder, Natalie desperately thinks that quitting the police force is her only option left. All that changes when a beloved resident—a practicing Wiccan and founder of the town's oldest coven—is killed in a fashion more twisted and shocking than Natalie has ever seen before, leaving the town reeling. Natalie has no choice but to help solve the case along with Detective Luke Pittman, her boss and the old childhood friend she cannot admit she loves, even to herself. There is a silent, malignant presence in Burning Lake that will not rest. And what happens next will shock the whole town, and Natalie, to the core.
