Mafia and Outlaw Stories from Italian Life and Literature Robin Pickering-Iazzi 2007-01-01 The first of its kind in English, *Mafia and Outlaw Stories from Italian Life and Literature* is a selection of readings from Italian fiction and non-fiction writers on the subject of the Mafia. Among the renowned writers featured are Giovanni Verga, Grazia Deledda, Anna Maria Ortese, Livia De Stefani, and Silvana La Spina, as well as famous witnesses such as Felicia Impastato, Letizia Battaglia, and Rita Atria who provide personal, often terrifying testimonies about their experiences with the Mafia. It is a historically diverse examination of criminal and outlaw institutions by some of the most significant figures in Italian literature. These newly translated writings show the ways in which Italians perceived and wrote about the Mafia and crime from the 1880s to the 1990s. Among them are stories dealing with the important legends used by the Mafia as sources for their image and ideology, legends such as the brigand and the Blessed Paulists. Some of the fascinating themes discussed are connections between the Mafia, the State, and the Catholic Church; the Mafia and children; women and the Mafia; the Black Hand; and relations between the Mafia and the Allied Forces during the Second World War. Robin Pickering-Iazzi incorporates an invaluable introduction that charts key periods in the history of Italy and the Mafia, and profiles each of the authors in the collection, noting their major works in Italian as well as those available in English. These and other features make this text especially appropriate for courses in Italian studies. *Mafia and Outlaw Stories from Italian Life and Literature* takes a unique and intriguing approach to the subject of the Mafia, and offers informed judgements about its historical impact on Italian society and culture.

Tales of an Extraordinary Girl Complete Collection Gena Showalter 2018-09-24 Two classic tales from the queen of paranormal romance, Gena Showalter! Playing with Fire Twenty-four-year-old barista Belle Jamison dreams of a better job and a decent love life. Until a crazy scientist spikes her mocha latte! Suddenly Belle can wield the four elements—earth, wind, fire and water—with only a thought. Coffee too hot? No problem. Hair in need of a blow-dry? Done. Gorgeous government agent Rome Masters has been sent to neutralize Belle. But he's not the only one after her. Together they must outrun the rogue agents on their trail and find a way to control her powers. There's just one problem: the sparks Belle and Rome generate are even hotter than the ones flying from her eyes—and with her future on the line, now is the worst possible time to fall in love.... Originally published in 2006 Twice as Hot Belle Jamison is finally starting to feel like a normal girl again. Her job as a paranormal investigator is going well, she's learned to control her supernatural abilities (mostly) and she's just gotten engaged to Rome Masters, the ultra-sexy operative who once tried to neutralize her! But planning a wedding is never easy, especially when the bride keeps accidentally torching her dress, the groom returns from a dangerous mission with selective memory loss and the man responsible now wants Belle for himself. With Rome's ex determined to win him back and a new band of supervillains on the horizon, it will take all Belle's powers—plus a little help from her trusty empath sidekick—to save the day, salvage the wedding and prove that true love really does conquer all.
