Awaken 101 Christopher Uhl
2020-10-01 Discovering our meaning and purpose--our reason for being--can seem like an impossible task, especially given the tumultuous times in which we find ourselves.

Through challenging provocations, uplifting narratives, and profound insights, this book emboldens readers to experience their lives, not as spectators, but as reflective, courageous and purposeful participants. We can turn toward the problems, look them in the eye, and begin the work of setting things

right--we can begin the process of awakening. Organized as a five-part journey, it explores, both cognitively and experientially, what it might mean to assume the rightful authorship of your life. By breaking out of the dominant narrative of how life should be lived, and by becoming more aware of the world around us, we can gain the tools essential for becoming open-minded, embodied, introspective and soulful human beings.

The Awakening Time Diana M.

Olson 2019-03-15 The author intuitively knew that she and her "new" man were brought together for a very special purpose, prompting matrimony and mid-life career changes to become hypnotherapists; it's as if a higher power sweeps them into a 180 degree spin and a whirlwind of learning experiences. A visit to a psychic fair and a visit to a

rock and gem shop thrusts them headlong into an incredible world of rocks and crystals, automatic writing and channeling, awakening psychic abilities and giving them inspiration to teach others how to reach beyond their present realities. And a small quartz crystal “tells” of an ancient promise, as vow to meet in this, “The Awakening Time”.

Conversations with spiritual guides contain a wealth of information almost too incredible to grasp. A must for both beginner and experienced “seekers.”
