The Vietnam Veterans Memorial at Angel Fire

Steven Trout 2020-04-07 A great white angel spreading her wings across the Moreno Valley: this is how one visitor described the memorial standing atop a windswept prominence in the Sangre de Cristo Mountains near Taos, New Mexico. A de-facto national Vietnam veterans memorial, built by one family more than a decade before the Wall in Washington, DC, and without aid or recognition from the US government, the chapel at Angel Fire is a testament to one young American's sacrifice—but also to the profound determination of his family to find meaning in their

loss. In *The Vietnam Veterans Memorial at Angel Fire*, Steven Trout tells the story of Marine Lieutenant David Westphall, who was killed near Con Thien on May 22, 1968, and of the Westphall family's subsequent struggle to create and maintain a one-of-a-kind memorial chapel dedicated to the memory of all Americans lost in the Vietnam War and to the cause of world peace. Focused primarily on a life lost amid our nation's most controversial conflict and on the Westphalls' desperate battle to keep their chapel open between 1971 and 1982, the book's brisk and moving narrative traces the memorial's evolution from a personal act of family remembrance to its emergence as an iconic pilgrimage destination for thousands of Vietnam veterans. Documenting the chapel's shifting messages over time, which include a momentary (and controversial) recognition

of the dead on both sides of the war, The Vietnam Veterans Memorial at Angel Fire spotlights one American soldier's tragic story and the monument to hope and peace that it inspired.

The Women of Afghanistan Under the Taliban Rosemarie Skaine 2002 In addition to an overview of the Afghan-Taliban conflict, this timely and important book presents powerful and moving interviews with Afghan women along with a history of their struggle.

Chinese Politics and Government Sujian Guo 2012-09-10 Over the past two decades, China's political reforms, open-door policy, dramatic economic growth, and increasingly assertive foreign policy have had an unprecedented regional and global impact. This introductory textbook provides students with a fundamental

understanding of government and politics in China as well as the conceptual ability to explore the general patterns, impacts, and nature of continuities and changes in Chinese politics. Further, it equips students with analytical frameworks by which they can understand, analyse and evaluate the major issues in Chinese politics, including: The basic methodologies and theoretical controversies in the study of Chinese politics. The major dimensions, structures, processes, functions and characteristics of the Chinese political system, such as ideology, politics, law, society, economy, and foreign policy. The impact of power, ideology, and organization on different spheres of Chinese society. The structure, process, and factors in Chinese foreign policy making. Whether China is a "strategic partner" or "potential threat" to the United States. By examining contending theoretical models in the study of Chinese politics, this book combines an essentialist approach that

keeps focus on the fundamental, unique and defining features of Chinese politics and government with other theoretical approaches or analytical models which reveal and explore the complexities inherent in the Chinese political system. Extensively illustrated, the textbook includes maps, photographs and diagrams, as well as providing questions for class discussions and suggestions for further reading. Written by an experienced academic with working knowledge of the Chinese Government, this textbook will provide students with a comprehensive introduction to all aspects of Chinese Politics.

When Scotland was Jewish

Elizabeth Caldwell Hirschman 2007 "Much traditional history of Scotland rests on fundamental interpretive errors perpetuated to maintain an origin as Celtic, Christian. This equation of Scotland with Celtic culture in popular (and academic) imagination has buried a more accurate understanding of its history. Research includes census records, archaeological artifacts, cemetery inscriptions, religious seals, coinage, noble genealogies, portraiture, and place names"-- Provided by publisher.

The Making of Tombstone John Farkis 2018-11-16 The day-by-day inside story of the making of Tombstone (1993) as told to

the author by those who were there--actors, extras, crew members, Buckaroos, historians and everyone in between. Historical context that inspired Kevin Jarre's screenplay is included. Production designers, cameramen, costume designers, composers, illustrators, screenwriter, journalists, set dressers, prop masters, medics, stuntmen and many others share their recollections--many never-before-told--of filming this epic Western.

Let Our Children Go Rebecca Greenwood 2011-09-09 Free your children from demonic harassment--and teach them to stay free! We must not assume that our children are free of threats from darkness. The enemy's purpose is to grip and blind every generation, establishing strongholds in the lives of our children from a very young age. Let Our Children Go is a handbook for parents, pastors, and leaders to help free children from evil influences and demonic harassment. Full of true stories
