How To Rebuild and Modify Your Manual Transmission

Robert Bowen This resource explains how to rebuild and modify transmissions from both rear- and front-wheel-drive cars. It explains the principles

behind the workings of all manual transmissions, and helps readers understand what they need to do and know to rebuild their own transmissions. Includes how to determine what parts to replace; how and why to replace certain seals, spacers, springs, forks, and other parts; and where to find (and how to measure) the specifications for each particular transmission.
