## British and Irish Paintings in Public Collections

Christopher Wright 2006-01-01 This book sets a new standard as a work of reference. It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth, and it encompasses nearly 9,000 painters and 90,000 paintings in more than 1,700 separate collections. The book includes as well pictures that are now lost, some as a consequence of the Second World War and others because of de-accessioning, mostly from 1950 to about 1975 when Victorian art was out of fashion. By listing many tens of thousands of previously unpublished works, including around 13,000 which do not yet have any form of attribution, this book becomes a unique and indispensable work of reference, one that will

transform the study of British and Irish painting.

*Family Driven Faith (Paperback Edition with*

*Study Questions )* Voddie Baucham Jr.

2011-04-04 More teens are turning away from

the faith than ever before: it is estimated that 75

to 88 percent of Christian teens walk away from

Christianity by the end of their freshman year of

college. Something must be done. Family Driven

Faith equips Christian parents with the tools

they need to raise children biblically in a post-

Christian, anti-family society. Voddie Baucham,

who with his wife has overcome a multi-

generational legacy of broken and dysfunctional

homes, shows that God has not left us alone in

raising godly children. In his Word he has given

us timeless precepts and principles for multi-

generational faithfulness. Baucham's celebrated

guide for godly, healthy families is now available

in paperback, with study questions added.

Parents will find this a critical resource for the

spiritual nourishment and protection of the next

generation.
