180 Days of Writing for Fifth Grade: Practice, Assess, Diagnose Maloof, Torrey 2017-03-01 180 Days of Writing is an easy-to-use resource that provides fifth-grade students with practice in writing argument/opinion, informative/explanatory, and narratives pieces while also strengthening their language and grammar skills. Centered on high-interest themes, each two-week unit is aligned to one writing standard. Students interact with mentor texts during the first week and then apply their learning the next week by practicing the steps of the writing process: prewriting, drafting, revising, editing, and publishing. Daily practice pages make activities easy to prepare and implement as part of a classroom morning routine, at the beginning of each writing lesson, or as homework. Genre-specific rubrics and data-analysis tools provide authentic assessments that help teachers differentiate instruction. Develop enthusiastic and efficient writers through these standards-based activities correlated to College and Career Readiness and other state standards.

Sourcebook on Rhetoric James Jasinski 2001-07-19 This book is designed to introduce readers to the language of contemporary rhetorical studies. The book format is an alphabetized glossary (with appropriate cross listings) of key terms and concepts in contemporary rhetorical studies. An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself. The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of speech communication. Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages. Where appropriate, examples are provided to further illustrate the term or concept. Each entry will be accompanied by a list of references and additional readings to direct the reader to other materials of possible interest.

Learning Disabilities Janet W. Lerner 1993 [The book] is an introductory text, written for both undergraduate and graduate students who are taking a first course in learning disabilities. It is designed to

provide a view of the field of learning disabilities for present and future special teachers, regular teachers, school psychologists, administrators, language pathologists, counselors, and related professionals preparing to work with individuals with learning disabilities. This book is particularly designed for both preservice and inservice regular classroom teachers who are often responsible for teaching students with learning disabilities in their classrooms. In addition, the text can serve parents seeking necessary background information to better understand the problems their children face.... Teachers need to understand the diverse theoretical approaches to the field, have knowledge of assessment procedures, possess skill in the art of clinical teaching, and develop familiarity with teaching techniques and materials. -Pref.
