The Good Hotel Guide 2005 Adam Raphael 2005 Who knows more about traveling well through Europe than the British? And The Good Hotel Guides are at the very top of the British market in terms of respect and customer loyalty. Now in their twenty-eighth year, "The Guides" have become a British institution. Every year the U.K.'s leading newspapers and travel magazines eagerly report on who's in and who's out in the latest edition of these indispensable travel companions known for their uncompromising integrity. The Guides feature only recommended establishments that deliver good value for the money, from budget accommodations to five-star hotels. Destinations that fail to live up to their promise are removed, while newly proven discoveries are added. The emphasis is almost entirely on family- or independently owned establishments, from B&Bs to grand resorts. The Guides have been described as "a triumph of participatory democracy." The editors combine their own research with comments from regular contributors and hundreds of volunteer reader-correspondents. And The Guides are uncommonly good reads. They are championed by well-known travel writers, who themselves are voluntary contributors. A sure reason for their long-term success is that the Guides are based on the concept that by following the advice of a trusted friend, you can find the secret places that most guidebooks never find - the superb English country mansion, the perfect guesthouse beside a church, delightful Italian pensiones, and grand French chateaux. The Good Hotel Guides specialize in discovering just such places for their thousands of devoted readers. These two companion volumes - eighteen countries across western and eastern Europe in one, Great Britain and Ireland in the other - are unsurpassed in their integrity and readability. No advertising, complimentary lodging, or services are accepted by the reviewers

A Companion to Ezra Pound's Guide to Kulchur Anderson Araujo 2018 Published in 1938, Guide to Kulchur encapsulates Ezra Pound's chief concerns: his cultural, historiographic, philosophical, and epistemological theories; his aesthetics and poetics; and his economic and political thought. In its fifty-eight chapters and postscript, it constitutes an interdisciplinary and transhistorical cultural anthropology that exemplifies his slogan for the renovation of ancient wisdom for current use - "Make It New." Though wildly encyclopedic, allusive and recursive, Guide to Kulchur is inescapable in any serious study of Pound. A Companion to Ezra Pound's Guide to Kulchur addresses the formidable interpretive challenges his most far-reaching prose tract presents to the reader. Providing page-by-page glosses on key terms and passages, the Companion also situates Pound's allusions and references in relation to other texts in his vast body of work, especially The Cantos. Striking a balance between rigorous scholarly standards and readerly accessibility, the book is designed to meet the needs of the specialist while keeping the critical apparatus unobtrusive so as also to appeal to students and the general public. A long-needed resource, A Companion to Ezra Pound's Guide to Kulchur makes a lasting contribution to the study of one of the most influential and controversial literary figures of the twentieth century.

Russell's Middle-eastern States Railway, Airway, Motor Coach and Hotel Guide for Michigan, Ohio, Indiana, Pennsylvania, Parts of Illinois, Kentucky, New York, Maryland, Washington, D.C., & West Virginia 1933

Britain Fiona Duncan 2001 Each book in this highly-respected series offers a selection of the finest -- but not necessarily the most expensive -- lodgings, most shown in high-quality color photos. These are the special places you dream of, but seldom find, including small B&Bs, grand chateaux, historic old homes and rustic lodges. Over 250 are profiled in each pocket-size book, with candid evaluations on everything from service and level of privacy to amenities. Colorful descriptions allow you to get a real feel for each place. Practical information (telephone number, address, price scale, pet policies and seasonal opening times) are given in an easy-to-read format. Stay at the Bradford Mill in a four-story windmill. Or perhaps Fairhill, an old manor set in the Welsh hills with orchard, walled garden, trout stream and lake, suits you better.
