Mar 13, 2026 · Calculus, branch of mathematics concerned with instantaneous rates of change and the summation of infinitely many small factors. The word Calculus comes from Latin meaning small stone, because it is like understanding something by looking at small pieces. Calculus, a branch of mathematics, focused on continuous change and it was developed by Newton and Leibniz. Similar to Geometry, calculus develops systematic thinking about change and accumulation. Master calculus with our comprehensive guide covering limits, derivatives, integrals, and infinite series. Perfect for students and educators.
