**Algebra - Task & Drill Sheets Gr. PK-2** Nat Reed 2011-01-03 Get hands-on with early level Algebra by breaking the concepts down for beginner learners. Our resource introduces the mathematical concepts taken from real-life experiences, and provides warm-up and timed practice questions to strengthen procedural proficiency skills. Make number sentences true by writing in the missing number. Sort numbers in order from biggest to smallest. Use a calculator when learning about order of operations. Finish the patterns with the missing images. Fill-in the missing numbers in a hundreds chart. Choose more than, less than, or equal to. Find the missing fact from the fact family. Put books into equal groups. The task and drill sheets provide a leveled approach to learning, starting with prekindergarten and increasing in difficulty to grade 2. Aligned to your State Standards and meeting the concepts addressed by the NCTM standards, reproducible task sheets, drill sheets, review and answer key are included.

*Handbook of Digital Resources in Mathematics Education* Birgit Pepin 2024-06-21 This handbook presents the state-of-the art scholarship on theoretical frames, mathematical content, learning environments, pedagogic practices, teacher professional learning, and policy issues related to the development and use of digital resources in mathematics education. With the advent of more and more open access digital resources, teachers choose from the web what they see fit for their classroom; students choose 'in the moment' what they need for their projects and learning paths. However, educators and students often find it difficult to choose from the abundance of materials on offer, as they are uncertain about their quality and beneficial use. It is clear that at a time of bouleversement of the teaching-learning processes, it is crucial to understand the quality and the (potentially) transformative aspects of digital resources. This book provides comprehensive analyses of and insights into the transformative aspects of digital resources.
