Kinn's The Medical Assistant - E-Book Deborah B. Proctor 2013-12-27

Prepare for a successful career in medical assisting! Kinn's The Medical Assistant, 12th Edition helps you learn the real-world administrative and clinical skills essential to working in the health care setting.

Administrative coverage ranges from professionalism and interpersonal skills to billing and coding and electronic health records; clinical content teaches how to assist with medications, diagnostic procedures, and surgeries. And no other comprehensive medical assisting text can match its coverage of assisting with medical specialties! Written by medical assisting experts Alexandra Adams and Deborah Proctor, this classic resource also includes an Evolve companion website with practical exercises and activities, videos, and review questions for the CMA and RMA certification exams. More chapters on assisting with medical specialties than any other Medical Assisting text prepare you to assist in specialty exams and make you better qualified to work in specialty fields like cardiology, dermatology, ophthalmology, gynecology, and neurology. Step-by-step, illustrated procedures make it easier to learn and understand medical assisting skills, and include rationales for each step. Threaded case scenarios help you develop critical thinking skills and apply concepts to realistic administrative and clinical situations. Patient education and legal and ethical issues are described in relation to the Medical Assistant's job. A Portfolio Builder on the Evolve website helps you demonstrate proficiency to potential employers. Detailed learning objectives and vocabulary with definitions in each chapter help you study

more effectively, with connections icons linking concepts in the text to exercises in the study guide and on the Evolve companion website. Study Guide includes a variety of exercises to test your knowledge and critical thinking skills, case scenarios from the book, and a Procedure Checklists Manual. Sold separately. NEW! Charting examples within the procedures are highlighted for easier learning. UPDATED coverage of the Electronic Health Record ensures that you are familiar with the technology you'll use on the job. UPDATED content on alternative therapies and treatment includes the latest herbal remedies such as red rice yeast for lowering cholesterol, St. John's Wort for depression, and probiotic bacteria for GI maladies.

Thomson Delmar Learning's Comprehensive Medical Assisting Wilburta Q. Lindh 2006 This third edition is the most comprehensive and dynamic learning package on the market for Medical Assisting. It boasts the most skills and procedures covered and includes key areas either not found or lightly touched on in other books such as: History of Medicine, Professional Procedures, coverage of OSHA and CLIA, and transcription. All ABHES and CAAHEP competencies are covered. The new edition maps to the latest CAAHEP Standards and Guidelines for Medical Assisting Educational programs and the ABHES Program Requirements and Curriculum. *Comprehensive Medical Assisting: Administrative and Clinical Competencies* provides more opportunity for critical thinking through case studies, critical thinking questions, scenarios, and features tying to both of Delmar's Medical Assisting DVD series. The book also emphasizes softer skills such as professionalism and practical skills including how to comply with HIPAA regulations and deal with privacy issues on the job. Delmar is a part of Cengage Learning.
