Saunders Medical Assisting Exam Review - E-Book Deborah E. Barbier Holmes 2013-09-05 With updated review questions and practice tests, Saunders Medical Assisting Exam Review, 4th Edition helps you prepare for and pass the CMA, RMA, CMAS, CCMA, and CMAA certification exams. An outline format makes it easy to review core concepts and competencies; realistic practice tests simulate the exam experience and help you build test-taking confidence. This edition adds coverage of three certifications — CMAS, CCMA, and CMAA. Written by medical assisting educator Deborah Holmes, this review includes an Evolve companion website with over 1,500 practice questions, additional practice exams for each of the certifications, flashcards, and crossword puzzles. Comprehensive content includes increased coverage of study skills and test-taking, EHR, ICD-10, and diseases and disorders. Convenient outline format provides at-a-glance review and streamlines the subject areas typically found on the certification exams. An Evolve companion website provides practice taking exams electronically, chapter review questions, crossword puzzles, and flashcards. A Professionalism and Career Development chapter emphasizes the importance of presenting yourself

in a professional manner. UPDATED content covers the top 50 drugs most commonly encountered in practice, the latest standards from CAAHEP, ABHES and the NHA, and topics such as emergency preparedness and the electronic medical record. UPDATED laboratory tests and normal values reflect current practice. NEW! 3 more certifications are covered in this edition and include practice examinations on the Evolve companion website — CMAS (AMT), CCMA (NHA), and CMAA (NHA). NEW! Correlation grids to certification test outlines and competencies align with current test outlines from certifying organizations. NEW! 10 review questions per chapter are available on Evolve for additional practice. NEW! Rationales are included on all practice exams to reinforce understanding. NEW! Additional illustrations reinforce concepts and show equipment and supplies.

Kinn's The Medical Assistant - E-Book Deborah B. Proctor 2013-12-27

Prepare for a successful career in medical assisting! Kinn's The Medical Assistant, 12th Edition helps you learn the real-world administrative and clinical skills essential to working in the health care setting.

Administrative coverage ranges from professionalism and interpersonal skills to billing and coding and electronic health records; clinical content teaches how to assist with medications, diagnostic procedures, and surgeries. And no other comprehensive medical assisting text can match its coverage of assisting with medical specialties! Written by medical assisting experts Alexandra Adams and Deborah Proctor, this classic resource also includes an Evolve companion website with practical exercises and activities, videos, and review questions for the CMA and RMA certification exams. More chapters on assisting with medical specialties than any other Medical Assisting text prepare you to assist in specialty exams and make you better qualified to work in specialty fields like cardiology, dermatology, ophthalmology, gynecology, and neurology. Step-by-step, illustrated procedures make it easier to learn and understand medical assisting skills, and include rationales for each step. Threaded case scenarios help you develop critical thinking skills and apply concepts to realistic administrative and clinical situations. Patient education and legal and ethical issues are described in relation to the Medical Assistant's job. A Portfolio Builder on the Evolve website helps you demonstrate proficiency to potential employers. Detailed learning objectives and vocabulary with definitions in each chapter help you study more effectively, with connections icons linking concepts in the text to exercises in the study guide and on the Evolve companion website. Study Guide includes a variety of exercises to test your knowledge and critical thinking skills, case scenarios from the book, and a Procedure Checklists Manual. Sold separately. NEW! Charting examples within the procedures are highlighted for easier learning. UPDATED coverage of the Electronic Health Record ensures that you are familiar with the technology you'll use on the job. UPDATED content on alternative therapies and treatment includes the latest herbal remedies such as red rice yeast for lowering cholesterol, St. John's Wort for depression, and probiotic bacteria for GI maladies.
