**Learning to Code with CPT/HCPCS 2012** Thomas J. Falen 2011-12-05 Updated to include the new and revised CPT/HCPCS codes for 2012, this comprehensive, system-based text teaches the essential CPT/HCPCS coding skills needed in medical coding and billing careers. The text provides an overview of coding guidelines on coding practice and introduces students to medical records, including how to locate information and code accurately and efficiently. The book covers symptoms, signs, diagnoses, procedures, and their CPT/HCPCS codes by system, and uses actual medical records to show how to code conditions and procedures. A section explains how the coding process affects reimbursement and health services administration. Each chapter includes coding practice exercises.

**Introduction to CPT Coding** American Medical Association 2014-05-14 CPT<sup>r</sup> coding education straight from the source! The AMA, the expert in

CPT coding, offers this new publication on the Introduction to CPT Coding: Basic principles to learning, understanding and applying the CPT code set. This entry-level coding education resource can be used alone or in a classroom setting. Students and self-learners entering the coding and billing field will learn how to appropriately select the correct codes for the services and procedures performed. It is crucial to understand and correctly apply the CPT coding guidelines for each section and subsection of the CPT codebook. This valuable resource addresses the general guidelines for each at the beginner's level, and facilitates comprehension and application of the CPT coding guidelines. Each chapter contains valuable features to provide further educational guidance on appropriate coding, such as: \* Check your Knowledge -- questions and answers to test your comprehension of the material \* Key Terms -- defines fundamental terms used within the text for ease of use \* Coding Tips -- helpful information listed throughout each chapter \* Illustrations -- specific to the anatomy of the procedures and codes \* "Real-life" coding examples -- teach you how to apply your new skills \* Chapter exercises-- hands-on exercises challenge your knowledge of each chapter Whether you are a student or a self-learner, this book will teach you the essentials of CPT coding, and help to launch you into the exciting career of coding.
