**The Word** Isaac Mozeson 2000 This landmark dictionary proves that English words can be traced back to the universal, original language, Biblical Hebrew. Genesis II supports a 'Mother Tongue' thesis, and the Bible also claims that Adam named the animals. This may seem difficult to accept, but then why do the translations of the following animals' names: Skunk, Gopher, Giraffe and Horse actually have corresponding meanings in Biblical Hebrew, such as: Stinker, Digger, Neck and Flower? The book features overwhelming data suggesting that the roots of all human words are universal, and that words have related synonyms and antonyms that must have been intelligently designed (perhaps by the designer of life himself!) The current hypothesis that language evolved from grunting ape-men may seem like the flat earth theory after reading this book. The 22,000 English-Hebrew links provide surprising evidence, and open new worlds of understanding, once we consider that all of these similar words could not be coincidences.

**Simple Serenity** Nancy Oelklaus 2022-03-01 Teilhard de Chardin wrote: "Someday, after mastering the winds, the waves, the tides and gravity, we shall harness for God the energies of love, and then, for a second time in the history of the world, man will have discovered fire." I believe we are there, and I want to be part of spreading the energy of love, which is a daily decision. Let the parables and exercises in Simple Serenity guide you to embrace love and joy. Readers will learn to: • Focus on what's really important, with the ability to "tune out" the noise. • Commit to the patience, kindness, and forgiveness that love requires. • Embrace peace in all things as a way of life. • Allow joy to come into your heart.

"Everything within it is the wisdom of the ages, and everything within it has been demonstrated as effective through research on positive psychology. I don't know if a stronger endorsement is possible." --Bob Rich, author of From Depression to Contentment "Sometimes it takes a sage guide to lead us through the distracting cacophony of our daily lives: Nancy's book of meditative insights takes us where we need to go to stay the course of life on life's terms." -- William Moyers, author of A New Day, A New Life "I believe that Nancy is calling us to live our life for the HIGHEST GOOD. Sit in the stillness and consider SIMPLE SERENITY for your life every single day." --Sarah Payne Naylor, author of Crossing Rough Waters "Simple Serenity, a soft light of hope and inspiration, is to be read and re-read.
