**Secrets to Barrel Racing Success** Heather Smith 2012-05-29 The Secrets are OUT! Barrel racers are driven by an unrelenting desire to win. Unfortunately, they are often misled. The secrets have been well kept for much too long. The time has come for barrel racers to stop looking for success, in all the wrong places. In this revolutionary book, author Heather Smith boldly reveals the real reasons for slow times, tipped barrels, behavior problems and much more. Smith challenges readers to develop new perspectives and describes specific action steps, all proven to yield positive, fast results. **Secrets to Barrel Racing Success** provides an integral foundation, yet far from just the basics, it empowers barrel racers to demystify even the most advanced concepts: Sense and correct subtle mistakes on the pattern quickly and easily. Utilize special techniques to make any barrel horse faster. Realize what feel really is, and how you can harness it's power. Develop a barrel horse that is always mentally focused and with you. Communicate in a way that creates feather-light responsiveness. Become a rider and competitor that brings out the best in every horse. Achieve optimum barrel racing performance, through optimum horse health. Master your inner game for confidence every time you blast down the alley. Understand true collection, why it's so critical and how to achieve it. The secret to winning lies in becoming aware of and dissolving the lesser-known blocks (that many don't even know exist) standing in the way of success. In the process, a path is cleared for each barrel racer to achieve their greatest potential. Only when the secrets are revealed, does winning become possible. Heather Smith is a Wyoming barrel racer with a passion for learning and self-development. Through her own journey to achieving barrel racing success, she became inspired to help others do the same. Heather continues to compete and share her insights at

*Horses That Buck* Margot Kahn 2011-11-28 When asked in an interview what he most liked about rodeo, three-time world champion saddle-bronc rider "Cody" Bill Smith said simply, "Horses that buck." Smith redefined

the image of America's iconic cowboy. Determined as a boy to escape a miner's life in Montana, he fantasized a life in rodeo and went on to earn thirteen trips to the national finals, becoming one of the greatest of all riders. This biography puts readers in the saddle to experience the life of a champion rider in his quest for the gold buckle. Drawing on interviews with Smith and his family and friends, Margot Kahn recreates the days in the late 1960s and early 1970s when rodeo first became a major sports enterprise. She captures the realities of that world: winning enough money to get to the next competition, and competing even when in pain. She also tells how, in his career's second phase, Smith married cowgirl Carole O'Rourke and went into business raising horses, gaining notoriety for his gentle hand with animals and winning acclaim for his and Carole's Circle 7 brand. Inducted into the Pro Rodeo Hall of Fame in 1979 and the National Cowboy & Western Heritage Museum's Rodeo Hall of Fame in 2000, Smith was a legend in his own time. His story is a genuine slice of rodeo life—a life of magic for those good enough to win. This book will delight rodeo and cowboy enthusiasts alike.
