American Regional Dialects Craig M. Carver
1987 "Focusing on some 2,000 dialect expressions, [this book] traces cultural and historical forces that have shaped these speech regions and given them their characteristic vocabularies."--Cover.

The Æneid of Virgil Virgil 1930 Aeneas flees the ashes of Troy to found the city of Rome and change forever the course of the Western world--as literature as well. Virgil's Aeneid is as eternal as Rome itself, a sweeping epic of arms and heroism--the searching portrait of a man caught between love and duty, human feeling and the

force of fate--that has influenced writers for over 2,000 years.

From the Rut to the Ledge Suzanne Rutledge
2017-09-08 Tired of living in their comfortable rut, Suzanne and Mitch Rutledge decided to quit their jobs in America and take their seven-year-old son with them on a journey around the world. For nine months, they traveled slowly and volunteered, homeschooled their second grader, and experienced what everyday life was like in new and different places. From the Rut to the Ledgeshares their highs and lows, but also provides practical travel tips for anyone who wants to see the world on a budget. Follow their

adventures from an elephant sanctuary in Thailand to the pyramids of Egypt. From tiny villages in Cambodia to the bustling streets of Barcelona, the Rutledges went out on a ledge to experience authentic life around the world and hope to encourage and inspire other families to do the same.

Bearly Hanging On (Alpha Werebear Werewolf Shifter Paranormal Romance) Lynn Red 2014

From NEW YORK TIMES and USA TODAY best-selling author Lynn Red comes a steamy, sensual, seductively hilarious shifter romance! Jamie Ampton is a sharp-tongued, pointy-toothed, vampy shifter with a penchant for neatly done-up hair buns and a habit of attracting EXACTLY the wrong sort of guy. Guys with a dash of arrogance, a pinch of cocky swagger turn her head... but when her last one turned out to be more “self-important jackass” and less “gruff and strong and takes what he wants,” it left her cold. So to speak. Ryan Drake

has a dark past and a mysterious present. When he shows up demanding the town alpha do his part to care for Jamesburg’s aging shifters, the first thing Jamie notices is that her heart starts beating a little quicker. The second is a knot in the pit of her stomach. And then, before she can catch her breath, he stares straight into her eyes. She’s never been one for the big, loud, muscled-up types, but in the space of two breaths, the elegantly detached Jamie finds herself falling for a bear. Little does Jamie know that before he stomped into that courtroom, Ryan decided that nothing was gonna stop him from getting what he wanted. But, once he saw Jamie? Suddenly there were two things that this massive blue-eyed alpha bear were going to have, no matter what it took: help for his friends... and Jamie. And Ryan? Ryan is one bear who ALWAYS takes what he wants. ***The Jamesburg Shifters is a series of standalone novels each with a unique hero and heroine, and HEA! No cliffhangers here - the stories can be

enjoyed in any order you like, though once you start, you might not want to stop!***

Ashes to Ashes The Gardener Ashes to Ashes book is about an adventure with some of the Greek Gods now known as Angels walk the earth again to stop a formidable foes. They will have to overcome their differences and make a team as Atlas and Cyclops are released from their prison. The angels will have to travel the world seeing old heroes and villains as the search for items. Can they put their egos and squabbles aside or will they let them hinder them as the titans threaten to come back to take over the universe back?

Tiny Glitches Rebecca Chastain 2016-01-12 Cursed, blackmailed, and on the run...this meet-cute is a meet-catastrophe. Like all the women in her family, Eva's emotions wreak havoc on nearby electrical devices. Despite living in modern-day Los Angeles, she can't have a cell phone, use a computer, or be in a car for more than a few minutes without killing it. Keeping

her otherworldly nature hidden defines every aspect of Eva's life—but never more so than when a stranger threatens to expose her secret to the world, forcing Eva into a bizarre scheme to hide a stolen baby elephant. Hudson is in the wrong place at the right time, charging to Eva's rescue...whether she wants his help or not. Sexy and resourceful—and a suspicious, analytical electrical engineer—Hudson is the last person Eva needs entangled in her problems. However, as they dodge repeated attempts on her life made by ruthless corporations hunting the elephant, Eva finds it impossible to quell her growing affection for Hudson. But if she lets her emotions free and falls in love with Hudson, neither of them will survive. *This standalone romantic comedy contains on-the-page heat.* PRAISE FOR TINY GLITCHES "I laughed out loud too many times to count, and thoroughly enjoyed myself" Pure Textuality "an entertaining hard-to-put-down read . . . the action never stops" The Book Quarry
