The Supplement to the Tenth Mental Measurements Yearbook

Buros Institute 1990-12 Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 800-755-1105 (in the U.S.) or 402-472-3584 (outside the U.S.). The "Supplement to the Tenth Mental Measurements Yearbook" contains original reviews of tests published or revised since the 1989 edition of the "Tenth Mental Measurements Yearbook." The "Supplement" provides timely access to reviews of recently available tests. It also includes a helpful indexing system that integrates referencing across Buros Institute publications. Indexes of titles, classified subjects, names, and scores, as well as a publisher's directory and index, are included. The "Yearbook" includes detailed descriptive information and reviews for each test and extensive references on specific tests. The tests are listed in alphabetical order for easy reference. The biennial publication schedule for "Yearbooks" and "Supplements" began in 1988 with the "Supplement to the Ninth Mental Measurements Yearbook." The publication of the "Supplement to the Tenth Mental Measurements Yearbook" continues this publication schedule which facilitates timely access to text evaluation information and better meets the needs of test consumers. The "Mental Measurements Yearbooks" are widely regarded as an essential reference for users and developers of tests. Each "Yearbook" contains reviews of commercially available tests published or revised since the previous "Yearbook." "The Buros Institute of Mental Measurements, founded in 1938 by the late Oscar Krisen Buros, is located in the Department of Educational Psychology at the University of Nebraska."

To place your standing order, please call 1-800-848-6224 (in the U.S.) or 919-966-7449 (outside the U.S.). Designed to complement the Mental Measurements Yearbooks, Tests in Print fills a pressing need for a comprehensive bibliography of all commercially available English language tests in print. Although these volumes are useful in and of themselves, their maximum usefulness requires the availability and use of the Mental Measurements Yearbooks. Although information on available tests and specific test bibliographies is valuable, the greatest service which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews, test reviews from journals, and the professional literature on the construction, use, and validity of the tests being considered. Tests in Print IV contains information on over four thousand instruments. Along with a brief description, entries includes population, scoring, pricing, publisher information, and a reference list of professional literature citing articles relevant to individual instruments. Indexes of titles, classified subjects, names, and scores, as well as a publisher's directory and index are included, with notations for out-of-print instruments. Information is given for tests in a wide range of areas, including education, psychology, counseling, management, health care, career planning, sociology, child development, social science, and research. Tests in Print IV also provides a comprehensive index to the Mental Measurements Yearbook by directing readers to the appropriate volume for reviews of specific tests.
