Jan 18, 2022 · We will discuss many of the basic manipulations of logarithms that commonly occur in Calculus (and higher) classes. Included is a discussion of the natural (\ln) and common logarithm (\log). The word Calculus comes from Latin meaning small stone, because it is like understanding something by looking at small pieces. Calculus is a theory of differentiation and integration. We explore here this concept again in a simple setup and practice differentiation and integration without taking limits.
