My Life as a Kitchen Witch Red Tash
2021-07-02 A short non-fiction book about an accidental kitchen witch and the "spells" she has concocted for her life at home! His face was red, his mouth a sneer. I don't remember specifically what the fight was about, but I do remember one thing he said. Angry, grounded, and lashing out, my son reached deep into his bag of insults and produced: "You're a witch, Mom!" A look of triumph twinkled in his eye. What a sick burn. I was supposed to be hurt, I'm sure. Instead, I laughed. "You're going to have to try harder than that." As he seethed, I tried not to smile. "A witch is a wise woman. She's crafty and learned. She's seen a lot of things, and not much scares her. Yes, son. Your mom is definitely a witch." I never thought I'd say that. Ever. "What a wonderful book! Between the recommendations, the recipes, the advice, and the laughs, MY LIFE AS A KITCHEN WITCH left me magically refreshed. If you need to show your self some

care without neglecting you responsibilities and loved ones, you need this book." ~ reviewer Marian A. "Creative and insightful. A fantastic reminder to not be so hard on myself while still striving for unlimited potential. Can't wait to try the spells. Especially Bacon Love Spell." ~ reviewer Michelle F.

The Ash Family Molly Dektar 2020-04-07 When a young woman leaves her family to join a secret off-the-grid community headed by an enigmatic leader, she discovers that belonging comes with a deadly cost, in this "stunning debut," (The New Yorker) "perfect for fans of Philip Roth's *American Pastoral* and the film *Martha Marcy May Marlene*" (Booklist, starred review). At nineteen, Berie encounters a seductive and mysterious man at a bus station near her home in North Carolina. Shut off from the people around her, she finds herself compelled by his promise of a new life. He ferries her into a place of order and chaos: the Ash Family farm. There, she joins a community living off the fertile land

of the mountains, bound together by high ideals and through relationships she can't untangle. Berie—now renamed Harmony—renounces her old life and settles into her new one on the farm. She begins to make friends. And then they start to disappear. "An excellent debut, Molly Dektar probes life in a cult with a masterful hand, excavating the troubled mind of a young woman," (Publishers Weekly). The *Ash Family* explores what we will sacrifice in the search for happiness, and the beautiful and grotesque power of the human spirit as it seeks its ultimate place of belonging. "A captivating and haunting tale" (New York Journal of Books).

Chicken-Fried Women Melissa Radke
2025-04-22 From the bestselling author of *Eat Cake*. Be Brave, a love letter to the strong, opinionated Southern women who raised her and surround us all. Lucy and Ethel. Laverne and Shirley. Dorothy, Sophia, Blanche, and Rose.

Chicken-Fried Women is a celebration of them: the women who raised us, taught us to cook and clap back. The ones who prayed for us, raged at us and humbled us a notch or two when we needed it. These are the women who have encouraged us, teased us, chastised us, and mortified us. And as they fill up the seats around our table, we realize we wouldn't have it any other way. They're our Chicken-Fried Women—battered on the outside, tender on the inside. Some are salty and a couple are Nashville Hot. Filled with a hilarious cast of larger-than-life women, this book explores why no one messes with Southern women and their hair, why the whole family comes along when you go bra shopping, why true crime and aquarobics brings us together, and how faith shapes us through it all. Insightful, big-hearted and laugh-out-loud funny, Chicken-Fried Women is a celebration of friendship, kinship and the women who shaped us.
