Exam Mike Yu 2022-10-04 To earn your CPIM designation, you must pass two CPIM exams. This book covers the first exam, which addresses: Domain 1: Supply Chain Overview Domain 2: Fundamentals of Demand Management Domain 3: Plan Supply Domain 4: Execute Supply Plan Domain 5: Inventory Management Domain 6: Continuous Improvement/Quality Management and Technologies We create these self-practice test questions referencing the concepts and principles currently valid in the exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and

draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products.
