Scientific Thesis Writing and Paper Presentation

N. Gurumani 2019-06-11

Scientific writing and communication needs to take care of a wide range of audience, from students and researchers to experts. The main objective of this book is to offer the basics of scientific writing and oral presentation to students and researchers working for their M.Phil. and Ph.D. degrees in science subjects. This book provides information on how to write research reports (theses, papers for publication, etc.) and to prepare for poster and oral presentation at conferences and scientific meetings. The book also offers guidelines for preparing proposals for research projects.
