2007-10-03 This book will help exam takers pass the ASPPA DB Examination on Administrative Issues of Defined Benefit Plans. The questions are in the same format as those on the ASPPA DB exam. All of the questions are straightforward multiple-choice questions with five choices and one best answer. Part I of this book contains the sample exams with a total of

260 questions, the equivalent of four complete 65-question ASPPA DB exams. Each 65-question practice exam is followed by an answer key. After the answer key, the practice exam is displayed with the answers shown. Part II of this book has a study guide. There is a section for each topic covered on the ASPPA DB exam. The answers to the questions and the study guide include details on the math formulas needed for the exam.
