Small Gas Engine Repair Paul Dempsey 1993 This popular guide is just the thing for people who seem to spend more time arguing with their lawn mowers than they do using them. With Small Gas Engine Repair, do-it-yourselfers can fix any small gas-powered machine on the spot and save hundreds of dollars in technical fees. The book's also a great source of troubleshooting and preventive maintenance techniques. Enhanced illustrations and lots of new material make up this second edition, including coverage of new American engines, emissions testing procedures, carburetor rebuilding techniques, and new starter and ignition systems. Japanese engines are also highlighted for the first time.
