Exam Prep: Fire Officer III & IV is designed to prepare you to sit for a Fire Officer III & IV certification, promotion, or training examination by including the same type of multiple-choice questions you are likely to encounter. The manual follows the Systematic

Approach to Examination Preparation, developed by Performance Training Systems, Inc., to help improve examination scores. The practice examinations were written by fire and emergency service personnel and the content was validated through current reference materials and technical review committees. Your exam performance will improve after using this system.

*Report to Congress 2004* 2004

This Annual Report of the

Department of Defense (DoD)

Chemical, Biological,

Radiological, and Nuclear

(CBRN) Defense Program, or

CBRNDP, provides information

in response to several reporting requirements. First, this report is provided in accordance with 50 USC 1523. (The complete reporting requirement is detailed at annex K.) This report is intended to assess: (1) the overall readiness of the Armed Forces to fight in a chemical-biological warfare environment and steps taken and planned to be taken to improve such readiness; and, (2) requirements for the chemical and biological warfare defense program, including requirements for training, detection, and protective equipment, for medical prophylaxis, and for treatment of casualties resulting from use of chemical and biological weapons. This report supplements the DoD Chemical and Biological Defense Program FY05 President's budget, February 2004, which has been submitted to Congress.
