Double Digit Addition and Subtraction Color by Number Math Coloring Book

Meducolara 2023-09-04 Help

your little child to practice double digit addition and subtraction in a fun way. Imagine how your children will be proud of themselves when figuring out the answer to addition and subtraction equations and then coloring the pages to reveal images of different animals. 30 full different animals-themed coloring by math pages that progressively get more challenging, starting with addition and subtraction (to 100) of double digits with single digit, then practicing double digit with double digits addition and subtraction (to 100) with and without regrouping. The first 8 pages are addition or subtraction of double digit with a single digit. The next 6 pages are addition or subtraction of double digit with double digit (no regrouping). The following 6 pages are for practicing addition or subtraction of double digit with double digit (with regrouping). The last 10 pages are to practice all the addition and subtraction without and with regrouping all

in the same page. This coloring book features: 30 full pages of beautifully hand-drawn animals illustrations; Large pages, soft cover, and paperback binding. Single-side printed for easy tear-out and display and to prevent bleeding of the colors. Extra addition and subtraction practice is always needed, and the fun coloring pages are an excellent way to encourage kids to work.

Color Your World Frank Don 2001-05-31 Color plays an important role in our lives from birth. Knowledge of the meaning of colors can help everyone become a master artist in the art of living. Although we constantly use color to both express and accent our lives, the nature and meaning of color remains one of the world's greatest mysteries. As science advances man's knowledge, the basic truths of ancient wisdom are continually confirmed. These truths have been handed down to mankind through the mystery teachings of the Egyptians, Pythagorean thought of the Greeks, the

Jewish energy system of the Qabalah, and Christianity's Bible. Color Your World is an exploration into the language, magic, and application of color. Through a unique system of color-number analysis, we can seek a better understanding of color preferences, and learn how color affects our temperament. We learn how to pick personal colors to relax, revitalize and complement personal makeup. Color Your World illustrates the secrets of meditations on the colors, a system that has been used for centuries to attune oneself to the energies of the universe.
