Integrated English: Gateways: 2: Teacher's Book Irene Frankel 1997-10-30 Core vocabulary is explicitly presented, practiced, and applied, so beginners can start communicating immediately. A logical, carefully structured grammar syllabus provides a firm foundation for communicative exchanges. Task-based pair and small-group activities give maximum practice and ample opportunities for personalization. Realistic, task-based speaking, listening, reading and writing activities reinforce grammar and vocabulary. High-interest, cross-cultural topics provide a context for meaningful language learning. Conversation management strategies in each unit give students the tools they need to handle real-life English. Strategy Session review units present and practice important learning strategies that help students 'learn how to learn'.
