United States Code Annotated United States 2005

The Insurgency of the Spirit Robert E. Shore-Goss 2020-10-06 The Insurgency of the Spirit taps mutli-disciplinary methodologies of post-colonial biblical scholarship and anthropology, liberation theologies, indigenous studies, grief/trauma research, and nature-meditation writings to shape a constructive retrieval of the animist Jesus. The vision that emerges is one that sets forward an Earth-loving Jesus who challenges Christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems.
