**Effective Instructional Strategies** Kenneth D. Moore 2011-09-21 *Effective Instructional Strategies: From Theory to Practice 3e* covers the practical information that all effective K-12 teachers need. Applying the latest research findings and practical classroom practices, it provides thorough coverage of the strategies and skills essential to every teacher's repertoire. The text provides information about how to be an effective classroom teacher. It has been carefully designed to maximize instructional flexibility and to model established principles of instruction as well as to expand the pedagogical teaching knowledge of teachers and their instructional repertoires. 3e covers the practical information that all effective K-12 teachers need. Applying the latest research findings and practical classroom practices, it provides thorough coverage of the strategies and skills essential to every teacher's repertoire. The text provides information about how to be an effective classroom teacher. It has been carefully designed to maximize instructional flexibility and to model established principles of instruction as well as to expand the pedagogical teaching knowledge of teachers and their instructional repertoires. *Effective Instructional Strategies* can be used as a core text for primary, middle, secondary, or K-12 general methods courses or for use in-service seminars and workshops with a practical, application focus. It also makes an ideal reference text for individuals wanting an update and/or refresher prior to taking state or national competency exams.
