THE CONTINUITY OFFENSES BASKETBALL PLAYBOOK

Coach Vann THE CONTINUITY OFFENSES PLAYBOOK Have a team with no athletes? Need a way to get them all involved in the offense? It's called continuity, baby! Use the skill sets of all of your players by teaching them the beauty and effectiveness of continuity offenses. Become that team on the schedule that opponents dread because of the power of their offense. Is your offense stagnant? Is the ball not moving enough within your offense? If the answer is yes, then this is the book for you. Thousands of hours of research went into developing the Continuity Offenses playbook, a collection of 14 different continuity offenses and actions, all full with counterplays and specials built right into them. Continuity offenses have a pattern of movement, cuts, screens, and passes, which eventually leads back to the starting formation. At this point, the movement is then repeated in an effort to cause defensive breakdowns and create the best available scoring opportunities. These offenses are a great way to make the defense work and to get good ball movement. Whether you currently run a continuity offense or you're thinking about it, there is something in this playbook for any coach looking to expand his knowledge of the game. The book also goes to great length to help you understand the subtleties and intricacies of offenses and the adjustments that you can make as a coach. This book reveals many of the counters and adjustments a coach can make based on how the defense is playing you to assure you can make the right call at the perfect moment. We also give you a multitude of different entries that will help to disguise what you are trying to do that will seamlessly flow right into one of your continuity offenses. Each entry play gives us 3-4 different scoring options. Your opponents will not know what hit them. The Continuity Offensive Playbook is the complete package. If you are struggling to get the ball moving and putting points on the board, this is the book for you! No matter what level of basketball you coach at these offenses work!

Find out all the answers in this 638-page gem! Features: 638 Pages 14 Continuity Offenses Over 300 Quick hitters to counter the defense *THE 3-OUT 2-IN BASKETBALL OFFENSE (KANSAS) PLAYBOOK* Coach Vann THE 3-OUT 2-IN OFFENSE (KANSAS) PLAYBOOK If you are a coach that has a dominant post player and needs to find some new ways to get them more touches in the post while also making it difficult for the defense to help and double team them, then this is your book! The 3 Out 2 In Kansas offense is a High/Low offense that provides great spacing, which makes it extremely difficult for the defense to defend against, but it's not just for your post players. We also teach you the shot, dump, and reverse technique that will then also lead to some easy scoring opportunities for your perimeter players. Learn to run the 3-Out 2-In motion offense like a well-oiled machine with the help of this 452-page playbook. This offense was a staple of Bill Self's early Illinois and Kansas teams. The whole idea of the 3 Out 2 In motion offense is to get the ball inside and take advantage of those dominant post players while creating some easy scoring opportunities for them. If your best players are post players, then the 3-Out 2-In Motion Offense may be the answer to your offensive needs. This offense is adaptable to your personnel and also includes counters that will help you take advantage of the strengths of your players and team. Begin with the basics of the 3-Out 2-In High/Low offense and then give defenses fits with choosing from 3 different continuity offenses that you can run out of it to confuse the defense. We then provide you with 19 different entry play options that have a variety of scoring opportunities before flowing back into one of our continuity offenses. In addition, there are 18 different counter plays and several quick hitters that can also help you defeat anything a defense might throw at you. Learn all the adjustments a coach can make during a game to make the right call at the perfect moment. Within this playbook, you'll also receive over 400 pages of practice drills that will help you break the entire offense down with easy teaching concepts. You'll also get a look at some

basic drills and a few different ideas that can help you and your team defend against the High/Low offense. This is a must-have book in any coach's library! Learn how to take advantage of your dominant post players and dominate your opponents in the post today! Features: 452 Pages 3 continuity offenses 19 different entry plays with multiple options before getting back into your continuity offense 18 Quick hitters to counter what the defense may try to do Over 400 pages of practice & breakdown drills to help breakdown your offense Learn how to defend against the high/low offense
