ACTIVE is the leader in online event registrations from 5k running races and marathons to softball leagues and local events. ACTIVE also makes it easy to learn and prepare for all the things you love to ... Discover Sachse's online platform for community activities, offering program registration, facility reservations, and event information. Active is used to emphasize that someone is taking action in order to achieve something, rather than just hoping for it or achieving it in an indirect way. The meaning of ACTIVE is characterized by action rather than by contemplation or speculation. How to use active in a sentence. What is a basic definition of active? Active is an adjective that describes something as involving a lot of energetic work or as engaging in action, operation, or motion. Marked by energetic activity; busy. Active stock and bond markets; spent an active day sightseeing. Something that is active is characterized by movement and action. That action might be a random or temporary movement, such as someone who is active and exercises only now and then, or something ... Aug 26, 2024 · Why Is Physical Activity So Important for Health and Well-Being? We know that staying active is one of the best ways to keep our bodies healthy. But did you know it can also improve your ... Active is the most general, connoting physical or mental exertion in a variety of contexts: an active toddler; an active imagination; remained active in later years by walking and swimming.
