

Augustus The Life Of Romes First Emperor

Public Library Core Collection John Greenfieldt 2008 Wilson's Public Library Core Collection: Nonfiction (13th Edition, 2008) recommends reference and nonfiction books for the general adult audience. It is a guide to over 9,000 books (over 6,500 titles are new to this edition), plus review sources and other professional aids for librarians and media specialists. Acquisitions librarians, reference librarians and cataloguers can all use this reliable guide to building and maintaining a well-rounded collection of the most highly recommended reference and nonfiction books for adults. All titles are selected by librarians, editors, advisors, and nominators—all of them experts in public library services. The collection is a valuable tool for collection development and maintenance, reader's advisory, weeding your collection, and curriculum support. Richly enhanced records provide a wealth of useful information. All entries include complete bibliographic data as well as price, subject headings, annotations, grade level, Dewey classification, cover art, and quotations from reviews. Many entries also list awards, best-book lists, and starred reviews. Save Time: Efficiently organised and includes ""Starred"" titles Save Money: Allocate your resources to the best materials available Stay Relevant: Discover the best in important, contemporary categories Complete Coverage: Includes recommendations on periodicals and electronic resources, too Four-Year Subscription This Core Collection was originally sold as a four-year subscription. The core edition, published in 2008, delivers a library-bound volume with an extensive, selective list of recommended books. From 2009 to 2011 Wilson published extensive paperback supplements to the 2008 edition. A new cycle of materials will begin in 2012. However, the 2008 to 2011 materials are currently available. Buyers of them will receive all these materials immediately. All four years are only \$420. Uniquely Valuable There is nothing quite like Wilson Core Collections. The accumulated expertise of our selectors, and the unquestioned

reputation of these collections, is invaluable. Wilson Core Collections are universally recognised as impartial and expert aids to collection development that assist and reinforce the judgement of librarians everywhere. Selection to a Wilson Core Collection is strong support to any challenged purchase. Contemporary Relevance This Core Collection includes broad updates in the areas of crafts; terrorism, and international security; environment and global warming; diseases and medicine; and religion, plus other contemporary topics that keep the library's collection as current as today's headlines. Other Key Features Classified Catalogue - A list arranged by Dewey Decimal Classification, with complete cataloguing information for each book. Author, Title, Subject and Analytical Index - An in-depth key to the information in Classified Catalogue—including author and title analytics for works contained in anthologies and collections. Richly enhanced records provide complete bibliographic data, price, subject headings, descriptive annotations, grade level, Dewey classification, evaluative quotations from a review, when available. Listing works published in the United States, or published in Canada or the United Kingdom and distributed in the United States, Public Library Core Collection: Nonfiction features extensive revisions in the areas of health, science and technology, personal finance, sports, cooking and gardening, and handicrafts. Biography, poetry and literary criticism continue to receive comprehensive treatment. Reference works in all subject fields are included.

Women in Classical Antiquity Laura K. McClure 2019-06-13 An introduction to women and gender in the classical world that draws on the most recent research in the field Women in Classical Antiquity focuses on the important objects, events and concepts that combine to form a clear understanding of ancient Greek and Roman women and gender. Drawing on the most recent findings and research on the topic, the book offers an overview of the historical events, values, and institutions that are critical for

appreciating and comparing the life situations of women across both cultures. The author examines the lifecycle of women in ancient Greek and Rome beginning with how young females acquired the gendered characteristics necessary for adulthood. The text explores female adolescence, including concerns about virginity, medical views of the female body, religious roles, and education. Views of marriage, motherhood, sexual activity, adultery, and prostitution are also examined. In addition, the author explores how women exercised authority and the possibilities for their civic engagement. This important resource: Explores the formation of classical women's social identity through the life stages of birth, adolescence, marriage, childbirth, old age, and death Contains information on the most recent research in this rapidly evolving field Offers a review of the life course as a way to understand the social processes by which Greek and Roman females acquired gender traits Includes questions for review, suggestions for further reading, and a glossary of key terms Written for academics and students of classical antiquity, *Women in Classical Antiquity* offers a general introduction to women and gender in the classical world.

Augustus Evelyn S. Shuckburgh 2023-12-23 Evelyn S. Shuckburgh's "Augustus" presents a masterful biographical exploration of Rome's first emperor, blending rigorous scholarship with engaging narrative style. This work not only chronicles Augustus's political career and reforms but also delves into his complex personality, highlighting the fine balance of power and vulnerability that characterized his reign. Shuckburgh adeptly employs a variety of historical sources, weaving them into a richly textured account that situates Augustus within the broader tapestry of Roman history and the sociopolitical conditions of the late Republic. Her keen insights into the nuances of his relationships and decisions reveal the man behind the myth, making the ancient text accessible to contemporary readers while preserving its scholarly integrity. Evelyn S. Shuckburgh was an esteemed historian with a profound interest in classical studies and Roman history, which undoubtedly shaped her exploration of Augustus. Her background in

classical literature and history, coupled with her passion for uncovering the intricacies of human behavior, made her uniquely qualified to illuminate the life of a figure often shrouded in grandiosity. This depth of understanding is evident in her ability to convey the historical significance of Augustus while also pondering his impact on later civilizations. "Augustus" is an essential read for those interested in understanding the foundations of imperial authority and the complexities of leadership. Shuckburgh's insightful narrative is perfect for both scholars and casual readers, inviting them to reflect on the enduring legacy of one of history's most influential figures. Through this compelling biography, readers will gain a nuanced perspective on the man who transformed Rome and set the stage for more than a thousand years of imperial history.

The Anecdotal Narration and Encyclopedic Thought of Pliny the Elder's *Naturalis Historia*

Historia Ágnes Darab 2020-04-16 Pliny the Elder's *Naturalis Historia*, with its varied content, enables and expects the reader to employ a complex interpretative technique. One aspect of Pliny's diction is that he often interrupts the discussions of topics with digressions and begins to address something that seemingly has nothing to do with the subject. The hypothesis suggested by this book is that these digressions that occur in different places and in great number throughout the text of *Naturalis Historia* should not be regarded as mistakes fragmenting the encyclopedia's structure. Most of these digressions are anecdotes. Researching the aetiological anecdotes, and those about the life of animals, famous persons from political or intellectual life, and the most important Greek painters and sculptors requires the application of different perspectives. When we approach anecdotes from the perspective of narrative techniques, the role of the stories as exempla becomes clearer, and its further aspects can be spotted. This book also draws attention to Pliny the writer, an aspect of the text that has been contested until very recently.

Contemporary Authors New Revision Series Amanda D. Sams 2008-03 In response to the escalating need for up-to-date information on writers, Contemporary Authors® New Revision

Series brings researchers the most recent data on the worlds most-popular authors. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up-to-date, and completely replace the original Contemporary Authors® entries. For your convenience, a soft-cover cumulative index is sent biannually.

The Outline of Knowledge: The romance of evolution James Albert Richards 1924

Augustus Adrian Goldsworthy 2026-01-27

"Superb....Augustus is a first-rate popular biography by a skilled and knowing hand."

(Washington Post) Caesar Augustus created the Roman Empire and forever associated the name Caesar with power. Heir to Julius Caesar, he thrust himself into the middle of Roman politics at its most violent period, facing off against Brutus, and eventually Antony and Cleopatra. He was a military dictator who schemed and killed his way to power and then brought the Romans peace and prosperity after all the chaos, laying the foundations of the famous Pax Romana. In this definitive and critically acclaimed biography, eminent historian Adrian Goldsworthy illuminates the political and private lives of Rome's first emperor in more depth than ever before. Weaving together tales of military victories, political marriages, and senatorial power struggles, Goldsworthy portrays Augustus as he really was—at once noble and manipulative, giving and tyrannical, clever and cruel. Meticulously researched and approachably written, Augustus is the most detailed extant biography of Caesar Augustus, a man whose legacy continues on today.

Ancient Rome Victor Miller 2016-01-12 When we think of Augustus Caesar, the image of a young, handsome man spring to mind. The successor to Julius Caesar, we know that he became leader to the roman people at a very young age. And yet the man who was known by several names throughout his life was not a blood relative of Caesar. Although coming from fairly humble origins, this man propelled himself into the life of a fearsome warrior; respected politician and model roman citizen. This book explores the life of Augustus and his rise to power, looking at the various influences and experiences throughout his life. What were the omens that suggested he was more than just an

ordinary child? How did he become heir to Julius Caesar's fortune and power? Were all the decisions he made throughout his life politically motivated? How did his step-son Tiberius become his only heir, despite his struggle to ensure that he had a strong family line when he died? Augustus Caesar was a highly complex and intellectual individual who became one of the most powerful leaders of the time. The self-styled Father of Rome, he was truly destined towards divinity.

World Savors and Messiahs of the Roman Empire, 28 Bce-135 Ce Milo Kearney 2009 The first half of the book examines the past history of the contributing cultures in order to understand why this phenomenon occurred at this time and place. It reviews the expectations or prophecies of a coming World Savior in the Zoroastrian, Mithraic, Jewish, and Greco-Roman communities. Prophecies (actual or perceived) which dated the appearance of such a Savior are considered. The second half of the book looks at the acclaimed Roman, Jewish, Samaritan, and Greek Savors of the Soterial Age itself. The question of why Jesus' followers eventually prevailed over the others is addressed, and the phenomenon is placed in a universal perspective with a review of soterial expectations in early religions around the globe. The book concludes with the impact of the soterial movement on the Roman Empire and later Western World.

The Great Illyrian Revolt Jason R. Abdale 2019-06-30 The little-known story of a fierce rebellion against the Romans: " A very good read for anyone interested in ancient military history and historiography." — The NYMAS Review In the year AD 9, three Roman legions were crushed by the German warlord Arminius in the Battle of the Teutoburg Forest. This event is well known, but there was another uprising that Rome faced shortly before, which lasted from AD 6 to 9, and was just as intense. This rebellion occurred in the western Balkans—an area roughly corresponding to modern Croatia, Bosnia and Herzegovina, Slovenia, Montenegro, and parts of Serbia and Albania—and it tested the Roman Empire to its limits. For three years, fifteen legions fought in the narrow valleys and forest-covered crags of the Dinaric Mountains in a ruthless war of attrition against an equally ruthless and determined foe, and yet this conflict

is largely unknown today. The Great Illyrian Revolt is believed to be the first book ever devoted to this forgotten war of the Roman Empire. Within its pages, we examine the history and culture of the mysterious Illyrian people, the story of how Rome became involved in this volatile region, and what the Roman army had to face during those harrowing three years in the Balkans.

The Fragments of the Roman Historians Tim Cornell 2013 "This title is a definitive and comprehensive edition of the fragmentary texts of all the Roman historians whose works are lost. Historical writing was an important part of the literary culture of ancient Rome, and its best-known exponents, including Sallust, Livy, Tacitus, and Suetonius, provide much of our knowledge of Roman history. However, these authors constitute only a small minority of the Romans who wrote historical works from around 200 BC to AD 250. In this period we know of more than 100 writers of history, biography, and memoirs whose works no longer survive for us to read. They include well-known figures such as Cato the Elder, Sulla, Cicero, and the emperors Augustus, Tiberius, Claudius, Hadrian, and Septimius Severus"--Page 4 of cover.

The Divine Heartset Crispin Fletcher-Louis 2023-11-21 The fruit of a decade's research, this volume offers a new interpretation of the dense Christological narrative in Philippians 2:6-11, taking inspiration from recent advances in our understanding of the letter's Greek and Roman setting and from insights made possible by recently created linguistic databases (such as TLG and PHI). The passage's praise of Christ engages the language of Hellenistic ruler cults, Platonic metaphysics and moral philosophy, popular (Homeric) beliefs about the gods, and Greek love (eros), to articulate a scripturally grounded theology in which God is revealed to be one in two persons (God the Father and LORD Jesus Christ). The volume also explores hitherto unseen ways in which the central Christ Hymn is tightly connected to the rest of Paul's argument. The hymn presents Christ as an epitome of the ideals of Greek (and Roman) virtue, to support Paul's summoning his readers to a life of praiseworthy and exemplary civic conduct (in 1:27). New or recently proposed translations are advanced for numerous words

and phrases (in, e.g., 1:8, 11, 27; 2:3, 4, 6, 11; 3:2, 4) and a new (non-Stendahl) approach to Paul's boasting in 3:4-6, that is Christological rather than biographical, is put forward.

A Dictionary of Greek and Roman Biography and Mythology William Smith 1880

The child's first history of Rome, by the author of 'Amy Herbert'. Elizabeth Missing Sewell 1880

Augustus Evelyn Shirley Shuckburgh 1905

Augustus Anthony Everitt 2007-10-09 He found Rome made of clay and left it made of marble. As Rome's first emperor, Augustus transformed the unruly Republic into the greatest empire the world had ever seen. His consolidation and expansion of Roman power two thousand years ago laid the foundations, for all of Western history to follow. Yet, despite Augustus's accomplishments, very few biographers have concentrated on the man himself, instead choosing to chronicle the age in which he lived. Here, Anthony Everitt, the bestselling author of Cicero, gives a spellbinding and intimate account of his illustrious subject. Augustus began his career as an inexperienced teenager plucked from his studies to take center stage in the drama of Roman politics, assisted by two school friends, Agrippa and Maecenas. Augustus's rise to power began with the assassination of his great-uncle and adoptive father, Julius Caesar, and culminated in the titanic duel with Mark Antony and Cleopatra. The world that made Augustus--and that he himself later remade--was driven by intrigue, sex, ceremony, violence, scandal, and naked ambition. Everitt has taken some of the household names of history--Caesar, Brutus, Cassius, Antony, Cleopatra--whom few know the full truth about, and turned them into flesh-and-blood human beings. At a time when many consider America an empire, this stunning portrait of the greatest emperor who ever lived makes for enlightening and engrossing reading. Everitt brings to life the world of a giant, rendered faithfully and sympathetically in human scale. A study of power and political genius, Augustus is a vivid, compelling biography of one of the most important rulers in history.

The Romance of Evolution Frederick Herman Martens 1924

Civilization, God, and the End of Democracy

Gordon Garrett B.A. 2013 As far as the roots of civilization dwell, therein lies the birth of its intertwining with religion. Religion has often been the origin of dissent or war amongst different nations in their efforts to conform opposing societies to their own view of what is "right." Gathering together a cohesive timeline from the onset of organized religion and government to its current manifestation in premiere countries such as England, the United States, and China, Civilization, God, and the End of Democracy reviews opposing viewpoints and evidence for what could potentially be the beginning of the end of democracy as we know it. However, although this democracy has become corrupt and distorted in places, there is still hope that it will serve as a version, but an as-yet unseen one, of its original intent.

The Outline of Knowledge: The romance of evolution, by F. H. Martens James Albert Richards 1924

The Purists Dan McCabe 2024-11-29 A New York comedy from acclaimed US-based writer Dan McCabe that asks how far you would go to speak your truth.

Augustus The Life Of Romes First Emperor

Welcome to en.purimas-lombok.com, your go-to destination for a vast collection of **Augustus The Life Of Romes First Emperor** PDF eBooks. We are passionate about making the world of literature accessible to everyone, and our platform is designed to provide you with a seamless and enjoyable for Augustus The Life Of Romes First Emperor eBook downloading experience.

At en.purimas-lombok.com, our mission is simple: to democratize knowledge and foster a love for reading Augustus The Life Of Romes First Emperor. We believe that everyone should have access to Augustus The Life Of Romes First Emperor eBooks, spanning various genres, topics, and interests. By offering Augustus The Life Of Romes First Emperor and a rich collection of PDF eBooks, we aim to empower readers to explore, learn, and immerse

themselves in the world of literature.

In the vast expanse of digital literature, finding Augustus The Life Of Romes First Emperor sanctuary that delivers on both content and user experience is akin to discovering a hidden gem. Enter en.purimas-lombok.com, Augustus The Life Of Romes First Emperor PDF eBook download haven that beckons readers into a world of literary wonders. In this Augustus The Life Of Romes First Emperor review, we will delve into the intricacies of the platform, exploring its features, content diversity, user interface, and the overall reading experience it promises.

At the heart of en.purimas-lombok.com lies a diverse collection that spans genres, catering to the voracious appetite of every reader. From classic novels that have withstood the test of time to contemporary page-turners, the library pulsates with life. The Augustus The Life Of Romes First Emperor of content is evident, offering a dynamic range of PDF eBooks that oscillate between profound narratives and quick literary escapes.

One of the defining features of Augustus The Life Of Romes First Emperor is the orchestration of genres, creating a symphony of reading choices. As you navigate through the Augustus The Life Of Romes First Emperor, you will encounter the perplexity of options — from the structured complexity of science fiction to the rhythmic simplicity of romance. This diversity ensures that every reader, irrespective of their literary taste, finds Augustus The Life Of Romes First Emperor within the digital shelves.

In the realm of digital literature, burstiness is not just about variety but also the joy of discovery. Augustus The Life Of Romes First Emperor excels in this dance of discoveries. Regular updates ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Augustus The Life Of Romes First Emperor

presents its literary masterpiece. The website design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Augustus The Life Of Romes First Emperor is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes en.purimas-lombok.com is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download of Augustus The Life Of Romes First Emperor is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

en.purimas-lombok.com doesn't just offer Augustus The Life Of Romes First Emperor; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, en.purimas-lombok.com stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. It's not just a Augustus The Life Of Romes First Emperor eBook download website; it's a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

Augustus The Life Of Romes First

Emperor

We take pride in curating an extensive library of Augustus The Life Of Romes First Emperor PDF eBooks, carefully selected to cater to a broad audience. Whether you're a fan of classic literature, contemporary fiction, or specialized non-fiction, you'll find something that captivates your imagination.

User-Friendly Platform

Navigating our website is a breeze. We've designed the user interface with you in mind, ensuring that you can effortlessly discover Augustus The Life Of Romes First Emperor and download Augustus The Life Of Romes First Emperor eBooks. Our search and categorization features are intuitive, making it easy for you to find Augustus The Life Of Romes First Emperor.

Legal and Ethical Standards

en.purimas-lombok.com is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Augustus The Life Of Romes First Emperor that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

Quality: Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading experience to be enjoyable and free of formatting issues.

Variety: We regularly update our library to bring you the latest releases, timeless classics, and hidden gems across genres. There's always something new to discover.
