**Student Study Guide to Accompany Human Biology** Sylvia S. Mader 2003-08 This best-selling text emphasizes the relationship between humans and other living things. Intended for an introductory course, this text provides students with a firm grasp of how their bodies function and how the human population can become more fully integrated into the biosphere. An Online Learning Center, tied directly to the text via icons, will direct students to activities or

animations that gives a "visual example" of difficult processes as well as "Working Together" boxes to emphasize homeostasis.
