2002 "Faster Smarter Digital Video" shows you how to produce high-quality digital video -- faster, smarter, and easier! You get practical, concise guidance for choosing a digital camcorder; capturing better video; editing footage and audio; adding professional effects; using the digital media capabilities in the Microsoft "RM" Windows "RM" XP operating system; and delivering your final production live,

canned, or over the Web. "Faster Smarter Digital Video" delivers accurate, how-to information that's easy to absorb and apply. The language is friendly and down-to-earth, with no jargon or silly chatter. Use the concise explanations, easy numbered steps, and visual examples that help you swing into action -- and get the job done!
