Break all the Borders Ariel I. Ahram 2019-01-09 Since 2011, civil wars and state failure have beset the Arab world, underlying the misalignment between national borders and identity in the region. This book offers a unique and detailed account of the separatist movements that aim to remake those borders—the southern movement in Yemen, the federalists in eastern Libya, the Kurdish nationalists in Syria and Iraq, and the Islamic State in Iraq and Syria (ISIS). Instead of focusing on incumbent states, the book shows how separatists claim the mantle of self-determination and seek to replace a broken regional order with more legitimate and stable polities.

## **Ghosts of a Holy War**

Yardena Schwartz 2024-10-01 An award-winning journalist presents an even-handed, thoroughly researched

examination of the Arab-Israeli conflict, and illustrates how a shocking yet little-known massacre one century ago in what was then Palestine became ground zero of a war that continues to devastate. "[A] compelling story. . . . If you are going to read one book to help you understand the current Middle East tragedy, this is it." —Yossi Klein Halevi, senior fellow, Shalom Hartman Institute, and author of the New York Times bestseller *Letters to My Palestinian Neighbor* In 1929, in the sacred city of Hebron—then governed by the British Mandate of Palestine—there was no occupation, state of Israel, or settlers. Jews and Muslims lived peacefully near the burial place of Abraham, patriarch of the Jewish and Arab nations, until one Saturday morning when nearly 70 Jewish men, women, and children were slaughtered by their Arab neighbors. The

Hebron massacre was a seminal event in the Arab-Israeli conflict, key to understanding its complexities. The echoes of 1929 in Hamas's massacre of October 7, 2023, illustrate how little has changed—and how much of our perspective must change if peace is ever to come to this tortured land and its people, who are destined to share it. Noted journalist Yardena Schwartz draws on her extensive research and wide-ranging interviews with both sides to tell a timely, eye-opening story. She expertly weaves the war between Israel and Hamas into a historical framework, demonstrating how the conflict today cannot be understood without the context of ground zero of this century-old war, which began long before the occupation, the settlements, or the state of Israel ever existed. This meticulously researched and balanced examination of the Arab-Israeli conflict's origins interweaves historical analysis with contemporary insights, providing crucial context for

understanding today's Middle East tensions. Perfect for anyone who has read Yossi Klein Halevi, Matti Friedman, or Nathan Thrall, Schwartz's work is a riveting exploration of the complex background of the Israel-Palestine conflict and the ongoing struggle for peace in the region.

*US Economic Aid in Egypt* Dina Jadallah 2016-01-27 Economic aid is one of the cornerstones of the Egyptian-American relationship, and plays a significant role in promoting US policy objectives in the Middle East. Focusing on the latter half of Hosni Mubarak's rule, Dina Jadallah argues that, through its aid policy, the US has attempted to use a reforming and democratising narrative to transform Egypt into a stable "market democracy" that would be aligned with US interests in the region. This aim has been pursued in conjunction with one that promoted a comprehensive "warm peace" with Israel. By highlighting the opposition within Egypt to US aid, Jadallah analyses the key

issues that came to the fore during the 2010/11 protests in the country and led to the downfall of Mubarak.

Extending her analysis into the post-revolutionary period, the author provides interviews with regime insiders and prominent critics, inside state institutions and outside, who actively challenged the regime. This enables her to assess the different perceptions of US aid both under Mubarak and in the current political situation, contributing to an incisive analysis of modern Egypt and its relations with its superpower ally in the region. *Palestine Memories of 1948*

Chris Conti 2021-05-14 A poignant collection of memories and photographs from a pivotal year in Palestinian history. In 1948, life in Palestine was upended, forcing three-quarters of Palestinians into exile. *Palestine Memories of 1948* captures this transformative period through the voices of 19 men and women, bearing

witness to a lost homeland. From Latin Patriarch Michel Sabbah to ordinary citizens, these stories recall a time of coexistence, war, and displacement. Accompanied by stark black and white portraits and contemporary color photographs of Jerusalem, this is a powerful testament to resilience and remembrance. Discover: Personal accounts of the Al Nakba The impact of exile on identity The enduring connection to Jerusalem For readers of Middle Eastern history and anyone seeking to understand the human cost of conflict.
