Plunkett's Advertising & Branding Industry Almanac 2008: Advertising & Branding Industry Market Research, Statistics, Trends & Leading Companies Plunkett Research Ltd 2008-04 Covers the fields of advertising, marketing and branding, from advertising on radio and television to direct mail, from online advertising to branding and public relations to paid search inclusion. This book also covers trends in such areas as advertising agencies, marketing consultants, online advertising, branding strategies, and more.

Digital Video Recorders Jimmy Schaeffler 2013-07-24 Four specific trends are driving the DVR industry: consumer content choice, consumer content control, personalization of content libraries, and the ability to transfer content from device-to-device and person-to-person. "Digital Video Recorders" features a

macro and micro views of the already established yet still burgeoning DVR industry. As part of the NAB Executive Technology Briefing series, this book gives you a wealth of market knowledge, business models, case studies, and industry insights explained in a non-technical fashion. "Digital Video Recorders" discusses the impact of the technology across many different industries and platforms, explains hardware, software and technology of set-top boxes, DVR infrastructure, on-screen guides, planning and scheduling, content security, and more. Whether you are an executive in the broadcast, telecommunications, consumer electronic, or advertising space, you will expand your knowledge on DVR impact, explore new business opportunities, and get a brief overview of the technical terms needed. You will also be able to accurately analyze and understand the trends, projections and other data, all of which will help lead to the expedited growth and development of DVR industry.
