50 Chess Tips Eric Dana 2015-02-28 Do you know how to play chess but want to win more often? Let U.S. Chess Federation master Eric Dana improve your game! Written for players who know how to play, but are looking for advice on learning to play better. This book contains fifty key ideas that you can apply to every chess game. Discover the ideas that top players use to build strong positions that practically win themselves. If you are a coach looking for help making your team stronger, this book has simple easy to teach tips. From general strategy to

specific tactics, and covering all three phases of the game; Openings, the Middle Game, and Endings. With full color diagrams for almost every tip, this book is easy to follow without a chessboard. These fifty tips will help get new players off to a winning start, and build a strong foundation for future growth in chess.

Fred Reinfeld Alex Dunne 2020-03-06 Fred Reinfeld--his name used to be known to almost every chess player in the United States. Not so well known are his accomplishments. One of the strongest players of his time, he ranked just below Reuben Fine and Samuel Reshevsky (against whom he had a plus score). He was the accomplished author of some of the best chess books of the 1930s and 1940s, and a respected numismatist, recognized as a pioneer in the field. He was an editor or major contributor to almost every major chess magazine through the 1940s--Chess Review, Chess Correspondent and Chess Life. This first book on Renfield covers his remarkable contributions to the chess world,

with many of his ideas and writings quoted in their original context and with many of his famous annotations preserved for the modern reader.
