**The Hollywood Reporter** 1991

*The Zoological Record* 1998

Exposed: Her Undercover Millionaire Michelle Celmer 2011-05-01 Exposing his enemy's foundation as a fraud meant Brandon Dilson must pose as a charity case. In reality, the laid-back ranching magnate knew all about living large. It was exquisite irony that the foundation sent him to an image consultant. And a delicious bonus that she was the gorgeously buttoned-up Paige Adams. For this self-made career woman, their affair was as ill-advised as it was inevitable. Not only had she mixed business with pleasure, she was about to find out she'd fallen for an imposter. But Paige had a surprise for Brandon, as well—one that might alter the course of their lives....

**What Western Do I Read Next?** Wayne Barton 1999 What Western Do I Read Next? describes and indexes approximately 1,900 titles published between 1989 and 1998, providing access to information genre readers need to select their next best read: title, series, author, publisher, characters, locale, time period, plot summary and similar authors.

*What Do I Read Next?* Gale Group 1996-06 This annual selection guide covers new novels in the mystery fiction, science fiction, fantasy, horror, western fiction and romance genres. By identifying similarities in various books, it seeks to help readers to independently choose titles of interest published during 1995 - 1996. Entries are arranged by author within six genre sections, and provide: publisher and publication

date; series name and number; description of characters; time/geographical setting; review citation; genre and setting notations; and related books.

**Feature Films, 1960\_1969** Harris M. Lentz III 2001-08-07 This is a filmography, in two volumes, of not only all of the English-language movies made during the 1960s that had a U. S. theatrical release but major foreign films exhibited in the United States as well. The following information is provided for each film: year of release, nation of origin if other than the U.S., production or distribution company, black and white or color, running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways.

I'll Let You Go Bruce Wagner 2012-06-20

"[Wagner] slices open the self-satisfied bosom of Los Angeles yet again in his third novel, a sprawling family saga that trades the usual mush-mouthed sentimentalities for cascading shards of knife-edged vignettes. A masterful, modern-day fantasy of millionaires and madmen, fathers and sons, reality and dreams." --Kirkus Reviews Bruce Wagner's *I'm Losing You* was hailed as "outrageous -- dead-on in every way" by Janet Maslin in *The New York Times*. *New York* magazine's Walter Kirn called it "the year's best book." And John Updike, in *The New Yorker*, wrote that Bruce Wagner "writes like a wizard." In *I'll Let You Go*, Wagner offers a stunning novel that surpasses anything he's done before. Twelve-year-old Toulouse "Tull" Trotter lives on his grandfather's vast Bel-Air parkland estate with his mother, the beautiful, drug-addicted Katrina, a landscape artist who specializes in topiary laby-rinths. He spends most of his time with his young cousins Lucy, the girl detective, and Edward, a prodigy undaunted by the disfiguring effects of Apert Syndrome.

One day, an impulsive revelation from Lucy sets in motion a chain of events that changes Tull -- and the Trotter family -- forever. Though the story unfolds in contemporary Los Angeles, the reader hears echoes of Proust and 1,001 Nights as Toulouse seeks his lost father, a woman finds her lost love, and a family of unimaginable wealth learns that its fate is tied to those of the orphan Amaryllis (who officially aspires to be a saint) and her protector, a courtly giant of a homeless schizophrenic -- both of them on the run from the law. Along a path shaded by murder and mysticism, we meet such unforgettable characters as Fitzsimmons, a deranged former social worker; the enterprising Monasterio family of servants (Candelaria, Epitacio, and Eulogio); "Someone-Help-Me", a streetwise devil; and Pullman, a seemingly ageless Great Dane. Complexly wrought, deeply moving, and scathingly ironic, *I'll Let You Go* dazzles the reader with the unique blend of gorgeous prose, acerbic wit, and deep emotion that are the specific province of Bruce Wagner. From the Hardcover edition.
