The Building Official's and Inspector's Guide to Codes, Forms, and Complaints

Pieczynski 2007 Learn how to enforce the International Building Code® when violations occur, and to correctly write any document required by the job! This new book features a compilation of legal notices, letters, complaints, and other documents that inspectors can use for effective enforcement of the most common problems likely to be encountered in the field. In

addition to the forms, valuable checklists help users follow the required steps in enforcement, and tables assist inspectors in better understanding the Code. Even if a municipality does not use the International Building Code, the documents in this book can be adapted for local use because they are so universal. Check out our app, DEWALT® Mobile Pro(tm). This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. To learn more, visit dewalt.com/mobilepro.
