Mar 13, 2026 · Calculus, branch of mathematics concerned with instantaneous rates of change and the summation of infinitely many small factors. Calculus is the mathematical study of continuous change, and the principal precursor of modern mathematical analysis. Originally called infinitesimal calculus or the calculus of infinitesimals, it has ... Jan 18, 2022 · We will discuss many of the basic manipulations of logarithms that commonly occur in Calculus (and higher) classes. Included is a discussion of the natural (\ln) and common logarithm (\log). Calculus is a theory of differentiation and integration. We explore here this concept again in a simple setup and practice differentiation and integration without taking limits. The word Calculus comes from Latin meaning small stone, because it is like understanding something by looking at small pieces.
